

LESSON 5

Sharing the Miraculous

Living Spirit-Led

Principles are good, the Holy Spirit is better.

- > Jesus is who we imitate – following the Holy Spirit is how we flow.

What miracle is needed?

- > The greatest miracle you need is the one keeping you most distracted from God.
- > Sometimes the gifts work better with less information.

Notes –

Ways to Pray

Words of Knowledge

- > Sometimes words of knowledge don't seem to relate to the issue needing prayer but will still bring breakthrough when ministered to.
- > Ways you might receive a word of knowledge:
 - Physical Feeling – Burning or heat in areas, possible unexpected pain.
 - Seeing – Pictures, body parts, etc. with your eyes closed in prayer or an open vision.
 - Hearing – Single words or sayings related to an issue can come as an internal voice, the audible voice of God, or prompted in conversation.
 - Impressions – Thinking about past experiences or just a knowing related to an area someone needs to connect with God on.

Prayer of Faith

- > Christians seeking out the laying on of hands for a miracle.

Preach the Word

- > Share the Gospel with non-believers and you will see miracles manifest to show God is alive today.

Prayers of Compassion

- > Stop for the one in front of you because God's heart is always for His people.

Notes –

Keys in Prayer

Manifestation

- > Speak to the manifestation of the miracles, not only comfort or encouragement.
- > The greatest encouragement will be manifestation of the miracle they need.

The Name of Jesus

- > There is power in the name of Jesus.
- > Don't be ashamed to pray in the name of Jesus because He is the one who paid the price for the miracle.
- > We aren't the works of the miracle, we are a touchpoint of faith.

Complete Breakthrough

- > Jesus is the author and finisher of faith.
- > If God starts producing manifestation, He wants to complete it.
- > Ask if anything is feeling different if it can be tested. If not tested, go in faith.
