Gospel on the Mountains

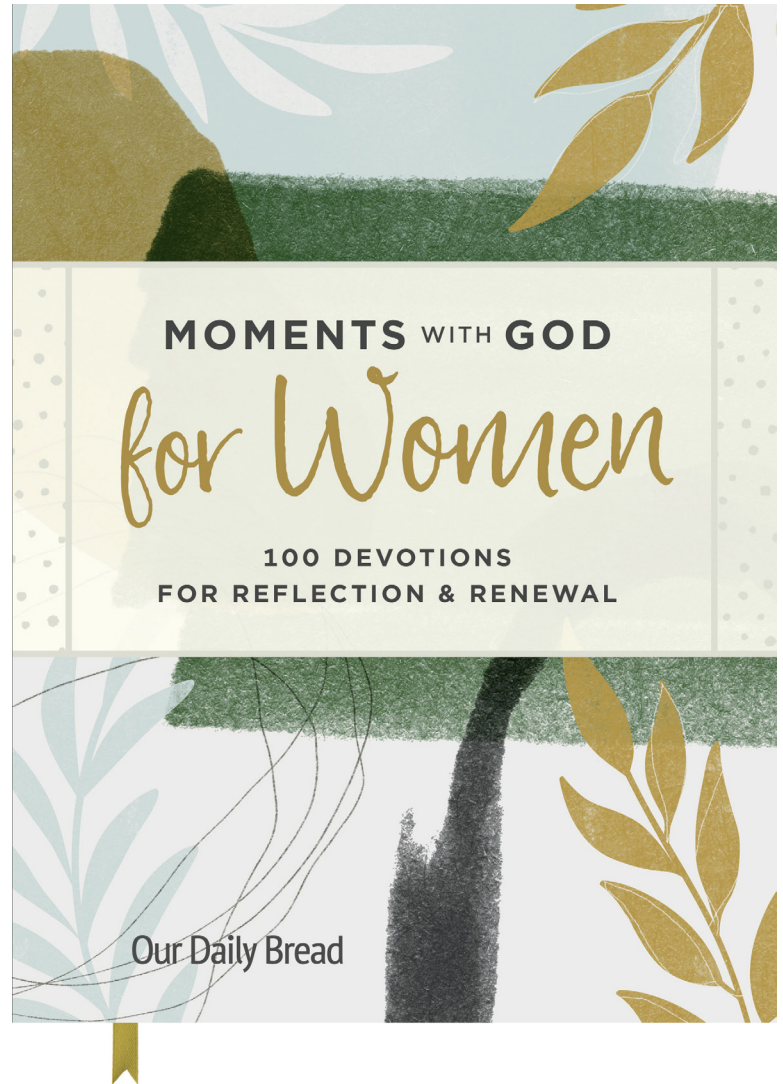

Nine Encounters with God from the Bible

Bill Crowder

Gospel on the Mountains focuses on nine key encounters in the Bible when God met His people on mountaintops—from Noah to David to Jesus Himself. With insights into the Bible's cultures, languages, and lands, Bill Crowder shows how each episode reveals the God who made the mountains. In each biblical narrative, we see an essential feature of God's character, including His grace, wisdom, righteousness, glory, and love. And each mountaintop experience points forward to the gospel message of hope and redemption found only in Jesus Christ. As Bill directs our attention to Christ, we will be awed by the greatness and power and sacrifice of Jesus, and eagerly anticipate His return.

Bill Crowder, who spent over 20 years in pastoral ministry, is vice president of ministry content at Our Daily Bread Ministries. He is a contributor to *Our Daily Bread*, cohost of *Discover the Word* radio program, and author of many Bible studies and books. He and his wife, Marlene, live in North Carolina and have five children and several grandchildren.
