PARENTS: Thank you for the opportunity to serve your child at CentriKid Camps this summer! Our team has been hard at work preparing for a powerful week of fun, faith, and growth, and we are praying that God uses every moment to impact campers in unforgettable ways.

This summer, our theme is “The Storyteller: Author of All Things.” Kids will explore how God is the source and sustainer of everything. From creation to the cross and beyond, He is the author of salvation, truth, joy, and the future. Through Scripture, worship, and hands-on experiences, your camper will discover that their story matters too, because it fits into God’s bigger plan.

As the dad of three kids who attend CentriKid, I’ve seen how camp can be a meaningful catalyst in their faith

journey. I know firsthand that small moments at camp often add up to something lasting. My hope is that this summer will be the same for your child—a week where they take a step forward in their relationship with Jesus.

We encourage you to join the journey by learning the key verse together (Romans 11:36), and asking your child what they learned when they return home. Camp is just the beginning. Help them carry the story forward!

We’re honored to partner with you and pray this summer will be a milestone in your child’s walk with Jesus.

The Storyteller author of all things

Before the first word was spoken, before the first page was turned, the Author of All Things was at work. At CentriKid Camps 2026, we will open the pages of God’s word and discover how He is the author of salvation, truth, joy, and the future. Campers will experience a journey they will never forget with The Storyteller!

I have a question

What is OMC?

OMC is our favorite game at CentriKid Camps! OMC stands for Organized Mass Chaos. It happens in the afternoon of the last full day of camp.

Every camper will compete for their color team by completing task cards. Every player is trying to complete a different task, but the biggest rule of the game is that you can't say "no." So every time a camper asks another for help, they must stop their task and help.

After a camper completes the task, they turn it in for a point. The team with the most task cards in their bucket wins! While adults don't complete cards, they still help kids with tasks, take pictures, help in the No Fly Zone, and get very *messy.

**Messy at OMC means you're covered in shaving cream and soaked from water balloons. Get excited!*

How does my child get to Bible Study and tracks?

We take safety very seriously. Your kids will dismiss from the auditorium for Team Time (Bible Study and Recreation). They will meet at The SPOT. The SPOT is our central meeting place where we take roll and make sure kids are handed off from camp staff to and from church leaders.

How will mail at camp work?

We will deliver any mail that comes to camp to churches, but be aware of slowdowns. We recommend sending your letters with your Group Leaders or in your campers' luggage!

What about camp t-shirts?

Every participant at camp will get a t-shirt during Check-In! It's always good to know they'll have an extra shirt at camp just in case they need it! Some church groups wear their camp shirt on the first day or on the ride home!

What is in the Camp Store this year?

Many items will be specific to campers' team colors so they can fully support their color team throughout the week. Our store includes items like t-shirts, bracelets, water bottles, and more! Prices for store items will range from \$1-\$30.

We accept cash, debit or credit card, checks, and Camp Store Cards in the Camp Store. Camp Store Cards are used like a gift card to the Camp Store. If you'd like to send money for your child to use at the Camp Store and want to ensure it is used only in the Camp Store, you can purchase a Camp Store Card for them to use.

On the next page, you will see more information about Camper Care Packages, Camp Store Cards, and photos. Don't forget to let your Group Leader know what you're wanting to purchase for your child, so they can send in preorders*. Ask your Group Leader when this information is due.

**Preorders must be placed by the Group Leader, not by individuals.*

How much free time will my campers have?

At CentriKid, almost every moment is scheduled. Campers have a few extra minutes around meals and about an hour at the end of the night. We have "Hang Time," which is time for leaders and the staff to hang out with your kids. There will be lots of Hang Time options that campers can choose to take part in.
