SECTION B-B

## GENERAL NOTES

1. This drawing emphasizes the VELUX CMT3 Curb Mount Traditional Double Dome Skylight. It illustrates a general arrangement layout (plus recommendations) for a VELUX CMT3 installation in a 0-60 degree roof pitch application. VELUX CMT3 skylights are installed on curbs, provided by others.
2. The architectural/structural design and specifications for the inclusion of a commercial skylight, such as the VELUX CMT3 in any roofing/ceiling application is determined and provided by others. The design criteria includes, but is not limited to design loads, structural configurations, structural framing member sizes and material, architectural finishes and integration with the roofing/ceiling systems of the building. VELUX recommends compliance by all designers and installers with all local and industry specific building codes and guidelines. VELUX assumes no responsibility or liability in the design, construction and performance of a building structure by others.

This drawing is an instrument of service and is provided for informational use only.
