Subscription agencies eligible for 20% discount on published rates.

Institutional online subscriptions are enabled through IP address authentication; new in 2026, JDD will be able to support access and usage tracking through a proxy IP address.

JDD offers two types of online subscriptions for institutions: 1) Standard Access includes HTML article access to all JDD archives, going back to Vol. 1 Issue 1; 2) Elevated Access includes HTML article access to all JDD archives, and PDF article downloads. Post-cancellation perpetual access supported by Portico®. For more information: jdd-subscriptions@darwin.cx
