JDD corporate online subscriptions are enabled through IP address authentication, including proxy IP addresses. New in 2027, through our partnership with LibLynx, online subscriptions can also be validated through SAML authentication through the following federations and services: UK-AMF, OpenAthens, Seamless Access, and EZProxy. Also new in 2027, JDD will support COUNTER reporting.

Online subscriptions include HTML article access to all JDD archives, going back to Vol. 1 Issue 1; article PDF downloads are not included. Post-cancellation perpetual access supported by Portico®. For more information: jdd-subscriptions@darwin.cx
