

Chief Patrons

Hon'ble Dr. Subir Kumar Banerjee

Founder President and Trustee, NYSS, Airoli

Mrs. Suvra Banerjee

Former President and Trustee, NYSS, Airoli

Patrons

Hon'ble Mrs. Gauri Bhattacharya

President, NYSS, Airoli

Dr. Rituparna Banerjee

Secretary, NYSS, Airoli

Shri. Sreejit Bhattacharya

Treasurer, NYSS, Airoli

Dr. Parthasarathi Chauhan

Member, NYSS, Airoli

Dr. A. R. Katti

Managing Director NYSS, Airoli

Dr. S. D. Sawarkar

Executive Director NYSS, Airoli

Dr. P. A. Dode

Principal, DMCE, Airoli

International Technical Advisory Committee

- Dr. Fernando Gutierrez, Honorary Reserach Fellow at UCL, Senior Structural Engineer, Atkins, London.
- Dr. Prabir Kolay, Director & Professor, Southern Illinois University Carbonade.
- Dr. Sanjay Nimbalkar, Associate Professor, School of Civil & Environmental Engineering, UTS, NSW, Australia.
- Er. Hemant Gor, Technical Specialist, Structural Engineering, Worley, Abu Dhabi, UAE.
- Dr. Yogesh Kumborgeri, PhD, PE Lead Research Engineer, Western Research Institute, Laramie, Wyoming, USA.
- Er. Rishikesh Wagh, Project Manager in Wannan Water, Victoria, Australia.
- Er. Saqib Karori, PE Director Water treatment, NCS Engineering, Canada.
- Dr. Tirupan Mandal, Concrete Materials Unit Supervisor, Wilsconsin Department of Transportation , USA.

National Technical Advisory Committee

- Dr. S. K. Ukarande (Former Dean BOS, Univercity of Mumbai, Principal KJSCOE, Mumbai).
- Dr. R. B. Magar (Principal, School of Engineering & Technology AIKTC, Panvel, Chairman, BOS Civil Engineering, University of Mumbai).
- Dr. Shrikant Charhate (Vice Chancellor, NICMAR University of Construction Studies, Hyderabad).
- Dr. C. H. Solanki (Professor, SVNIT, Surat).
- Dr. V. A. Sawant (Professor, IIT, Roorkee).
- Dr. H. S. Chore (Associate Professor, NIT, Jalandhar).
- Dr. A. R. Kambekar (Associate Professor, SPCE, Mumbai, Member, BOS, Civil Engineering, University of Mumbai).
- Dr. Pradip Kalbar (Associate Professor, IIT, Bombay).
- Dr. A. P. Patil (Professor & Head, Civil & Infrastructure, DMCE, Airoli, Member, BOS, Civil Engineering, University of Mumbai).
- Dr. Prashant C. Bhise (Chartered Engineer, Techno Consulting Engineers and Contractors, Mumbai).
- Er. Yoojana Patil, Executive Engineer Mumbai Metro, Mumbai.

Internal Advisory Committee

Prof. P. R. Barbude Prof. M. Rafique Dr. Vandana Patil

Organizing Committee

Prof. Radhika Jadhav	Prof. Jessly Rajan
Prof. Aditya Ahirwar	Prof. Kapil Gitte
Prof. P. Kousitha	Prof. Nilesh Lende
Prof. Nikita Pawar	Prof. Sanika Jaygade
Prof. Priyanka Khanikar	Prof. Harshal Parate

International Conference ON

“Modern Advances in Civil Engineering and Technologies (ICMACET) – 2026”

(24th and 25th March 2026)

Dr. Smita B. Patil

Conference Chair

Head, Department of Civil Engineering

Dr. B. Manjula Devi

Dr. Sikandar A. Rasal

Organising Secretaries

Organised By:

Department of Civil Engineering

(NBA Accredited)

In Association with
Association of Civil Engineering Students (ACES)

Datta Meghe College of Engineering

(Recognized by AICTE, DTE, Govt of Maharashtra & Affiliated to University of Mumbai)
NAAC (Cycle 2) 'A' Grade Accredited and NBA Accredited (Civil & Chemical)

📍 Sector-3, Airoli, Navi Mumbai- 400708
☎ Tel : (022) 2779 1662 / 2854 / 7130 / 3299

About the Institute

Datta Meghe College of Engineering was founded in the year 1988 to promote professional education and prepare the students for leadership in their profession and society. The institute is approved by All India Council for Technical Education (AICTE), recognized by Directorate of Technical Education, Govt. of Maharashtra and affiliated to the University of Mumbai.

The Institute is accredited by National Assessment and Accreditation Council (NAAC) and certified by International Standards Organization vide ISO: 9001-2008 norms.

The institute boasts of having one of the largest intakes of students at U.G. level in the University of Mumbai. The institute conducts undergraduate courses, namely in Civil Engineering (NBA Accredited program), Chemical Engineering (NBA Accredited program), Artificial Intelligence and Data Science Engineering, Mechanical Engineering, Electronics and Telecommunication Engineering, Information Technology, Civil & Infrastructure Engineering and Computer Engineering and also PG programmes in Civil (Structural Engineering), Computer Engineering, Mechanical Engineering (CAD-CAM and Robotics), & Electronics & Telecommunication Engineering. The institute is the recognized Research Center of the University of Mumbai for Ph.D. (Technology) programmes in Civil, Computer, Mechanical and Electronics Engineering.

About the Department of Civil Engineering

Department of Civil Engineering is one of the oldest departments in the Institute established way back in 1988. Today, the Department has an intake of 120 at UG level, 18 at PG level and 10 at PhD level. The department of civil engineering is accredited by the National Board of Accreditation. The department has encouraged and prepared students for academic and industrial needs. Academic activities are enriched by frequent field visits, projects, seminars and workshops. The Department offers a wide range of elective courses in the diverse spectrums of Civil Engineering.

The batches passed out have maintained a consistent record of passing percentage of final year between 90% and 95%. Many students of final year have secured the distinction and appeared on the University Merit List. Gold Medals have been conferred on to many students for having scored the highest marks, either in aggregate or in individual subjects.

More than 150 students have completed their PG since 2010-11 and 12 candidates have been awarded Ph.D. degree by the University of Mumbai through our Research Center since 2012-13. Many students are placed in renowned construction companies and consultancy firms in and around Mumbai. Some of them have been selected in the government and semi-government.

The board of the members of faculty of the Department is highly qualified having PG and Ph.D. in diversified specializations and research areas. The department's seven standardized laboratories, including computational ones equipped with state-of-the-art equipment, offer consulting and testing services through the Consultancy and Testing Cell, contributing to national projects and had submitted a research project to DST via SERB.

Large number of technical and research papers authored by the faculty members, research scholars and students are published in the peer reviewed reputed journals of national and international levels indexed in prominent data bases such as Web of Science (SCI/SCIE/ESCI), SCOPUS & Google Scholar. Besides, they are presenting the papers in the conferences at national & international levels. Some of our faculty members are on the board of editors & reviewers of many refereed journals indexed in Web of Science, SCOPUS, etc.

The Department supports academic outreach for faculty, research scholars, and students by organizing continuing education programs such as short-term training, courses, workshops, and seminars, featuring expert talks from academicians, professionals, and government officials in Civil Engineering.

Salient Features of Conference

This conference delivers a deep dive into modern civil engineering advancements. Attendees explore innovative materials and sustainable methodologies via sessions led by industry experts on emerging trends. By bridging the gap between theory and practice, the event fosters student networking and ensures critical technical insights reach the stakeholders responsible for tomorrow's safe, resilient infrastructure.

Who Can Participate?:

- Faculty members from Engineering, Polytechnic, and Industrial Professional.
- Research Scholars, PG, UG and Diploma students.

For Registration Scan QR code:

Call for Paper

We invite research papers from students, research scholars, faculty members, and corporate professionals to present their innovative ideas at the conference.

- Concrete Technology & Concrete Structures
- Construction Engineering & Management
- Structural Engineering
- Earthquake Engineering
- Environmental Engineering
- Pavement Engineering
- Water Resource Management
- Other Inter-Disciplinary topics related to Civil Engineering
- Steel and Composite Constructions
- Rehabilitation of Structures
- Sustainable Construction
- Disaster Mitigation & Management
- Remote Sensing & GIS Applications
- Foundation Engineering

Registration Fees:

	Category	Fees (Rs)		
		Online (Rs)	Offline (Rs)	Foreign Delegates (\$)
Early Bird Offer (Upto-15th March 2026)	Students	1000	1250	25
	Academicians	1500	2000	30
	Industry person	2500	2750	35
Late Submission (After- 15th March 2026)	Students	1250	1500	30
	Academicians	1750	2250	35
	Industry person	2750	3000	40

Participants will receive:

- Soft copy of conference proceedings with ISBN-Conference Certificate
- Cash prize and certificate will be awarded to the **Best three papers**

Publication:

- All the accepted and presented papers will be published in the **ISBN 978-81-998817-2-3** proceedings.
- Selected peer-reviewed papers will be considered for publication in the **Indian Journal of Technical Education (IJTE)**, a **scholarly, peer-reviewed, and open-access journal published by the Indian Society for Technical Education (ISTE), New Delhi**, subject to approval of the Editorial Board and with applicable publication charges (to be borne by the authors).

Bank Details:

Payment Mode: Pay through online and upload the receipt in registration form.

Bank Name: Bank of Maharashtra
A/C Name: ASSOCIATION OF CIVIL ENGG STUDENTS
A/C no: 20130412428
A/C branch: AIROLI NEW MUMBAI (1283)
