## **ii. Grievance Redressal mechanism for Faculty, staff and students**

The institute adopts an open door policy where all faculty and staff are given free access to the authorities. Any issue, may it be academic or non academic can be brought to the respective Head of the Department, and if required he/she would forward it to the Dean and Principal for further study and solution. If the issues are not resolved at this level, it is directed to the Forum of Grievance Committee setup at the college level.

To ensure safety to the girl students a student representative is elected, who addresses the issues and directs them to the Women Cell. Every class has a Teacher- in- charge to handle the issues of that division. Also, a Guardian Teacher is provided for every batch (22 students) who conducts a meeting every month, and Minutes of the meeting is also recorded along with the issues raised by them. If the issues require greater attention, the same is taken to the HOD and Principal for further discussion and action. Parents are informed about their attendance and performance every month.

## **iii. Establishment of Anti Ragging Committee**

As per the directives of Hon. Supreme Court & UGC/MHRD's Regulations all the students filled an online Anti Ragging Undertaking and a copy of the same is submitted to the college. In addition to this, an affidavit is taken from both the parent and student during their F.E admission. Also, anti ragging committee is setup to protect students from any kind of harassment. The institute shall punish a student, if found guilty of ragging, after procedural enquiry. The same is informed to local police for further action.

### **Anti Ragging Committee Functions**

- To uphold and comply with the directions of the Hon'ble Supreme Court and be vigilant on any acts amounting to ragging.
- To publicize to all students and prevalent directives and the actions that can be taken against those indulging in it through posters, circulars and orally.
- To consider the complaints received from the students and conduct enquiry and recommend punishment.
- Undertaking from the students in the first year during the admission itself.
- To provide details of authorities to contact for filing complaints/ distress cells.
- To counsel and create awareness.
- To take necessary measures to prevent ragging.
- Procedure for handling issues:
  - In the event of receipt of information of ragging by a member, it will be promptly informed to the Principal.
  - Immediately action would start with spot inquiry and collect details of the incident as available prim face.
  - The inquiry will be promptly conducted.
  - After the inquiry report is submitted to the Principal.
  - Based on the intensity action would be taken on the students.

#### **iv. Establishment of Online Grievance Redressal Mechanism**

The Committee addresses the grievances related to:

- Admissions
- Discrimination on the basis of caste, race ,minority, gender and disability
- Scholarships
- Examinations; non transparency and unfair evaluation practices
- Amenities
- Quality of education
- Harassment and victimization of students

Procedure

- Letters are collected from the grievance box kept available in each department
- A meeting is held in every semester with these letters
- Summary sheet is prepared on the nature of grievance from each department
- Remedial measures are discussed in the next meeting
- Remedial measures taken are recorded as minutes of the meeting and the same is circulated to all the members before the next meeting

#### **v. Details of Grievance Redressal Committee in the Institution and OMBUDSMAN by the University**

#### **viii. Internal Quality Assurance Cell**

### **INTERNAL QUALITY MANAGEMENT AND ASSURANCE PROCESS**

#### **Objectives & Goals:**

An internal mechanism for incorporation, sustenance, assurance and enhancement of the quality culture of education imparted forms the very basis of progress for any Higher Educational Institution. Acknowledging the UGC & AICTE policy towards pushing for maintaining higher standards across Higher Educational Institutions, Datta Meghe College of Engineering, Airoli has decided to adopt the following Quality measures for its betterment and, progress and equipping itself to compete globally. These Quality measures and policies would facilitate the further development of this Institution in to well renowned Autonomous Institution of future implementing world-wide Best Practices.

#### **Quality Management Processes & Guidelines:**

Internal Quality Management and Assurance is meant for planning, guiding, monitoring and facilitating better Quality Assurance and Quality Enhancement activities in the College. The process and the policy adopted are to channelize and systematize the efforts and measures of an Institution to achieve Academic Excellence. To meet the diverse needs of the stakeholders involved, the Internal Quality Management Cell is implemented in two Levels at DMCE, one at the department Level and the other at the Institute Level.

The department Level cell is known as Department Level Quality Management Cell (DL-QMC) while the Institute Level is known as Institute Level Quality Management Cell (IL-QMC)

#### Department Level Quality Management Cell (DL-QMC):

DL-QMC is formulated for each department of the Institution. It is comprised of the department head, Division/Class Incharges and senior teaching staff members of the department. There are minimum five members in DL-QMC. The exact number of members depends on the department size in terms of its number of Staff, total number of students handled and associated responsibilities. Minimum two meetings of DL-QMC convened in a semester. The quorum for the meeting is two-third of the total number of members.

The following functions carried out by DL-QMC:

- 1) The subject distribution is done by HOD in consultation with DL QMC. DL QMC ensures regular implementation of the Time-Table, thereby effecting Quality Academic Delivery.
- 2) DL-QMC decides on the various corrective and pro-active steps to be incorporated in the teaching-Learning Process, Library & Laboratory development, Faculty development, Digitization, Industry-Academia Partnership, etc.
- 3) DL QMC goes through the inspection report pertaining to the existing Equipment's, Instruments, Systems and associated Software and facilitates on the procurement of additional new requirements as required
- 4) Department implements the Student Evaluation Process along the guidelines given by UoM under the observation of DL-QMC
- 5) Various requirements of the forthcoming semester in terms of the teachers, Laboratory Set-up, Systems software and Library book requirement are worked out by the Head of the department in consultation with DL QMC.
- 6) Two Academic Audits (DL\_QMC Audit) are conducted by DL-QMC, first one after 8/9 Weeks of Teaching- Learning and second after the completion of 12/13 Weeks of Teaching Learning.  
(Annexure:1 DL-QMC Sample Audit Report )
- 7) The Academic Audit is focused on checking the veracity of regular Academic Delivery, ensuring the coverage of all Learning Outcomes ( i.e. COs and POs), Continuous Student Assessment (Internal Assessments) , Research and Development progress and overall student development initiatives.

### Institute Level Quality Management Cell (IL-QMC):

The IL-QMC is constituted under the chairmanship of the Principal. A senior member is nominated as a convener or a coordinator by the Principal to assist him. The IL-QMC has the following composition:

- a) Principal - Chairperson
- b) Dean / Sr. Administrative Official- Member
- c) Seven Heads (or Senior Teachers ) of the Departments - Member
- d) Two external experts on Quality Management/ Industry/Local Community - Member
- e) Convener/ Coordinator – Member

IL-QMC convened minimum two meetings in a semester. The quorum for the meeting is two-third of the total number of members.

The various functions and responsibilities of IL-QMC are:

- 1) Ensuring timely, efficient and progressive performance of academic activities and adherence of time schedule according to the Academic Calendar being followed
- 2) Ensuring relevance and quality of academic and research programs.
- 3) Guiding the DL QMC & Research (PG and Ph.D.) Monitoring Committees towards following uniform standards of Quality across all programs.
- 4) Optimization and integration of modern methods of teaching learning.
- 5) Furthering the credibility of evaluation procedures.
- 6) Facilitating the creation of a learner-centric environment conducive for quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process.
- 7) Facilitating the organization of State Level/ National Level/ International Level Seminars /workshops / Conferences.
- 8) Facilitating the documentation of the various programs/activities of the College, leading to quality improvement.
- 9) Facilitating the development and maintenance of institutional database through digitization for the purpose of maintaining / enhancing the institutional quality
- 10) Ensuring the adequacy, maintenance and functioning of the support structure and services
- 11) Ensuring Collaborative Research and Development and networking with other institutions in India and abroad.

- 12) Carrying out internal audit of teaching and learning process so as to facilitate the compliance of quality issues by all faculty members in the semester.
- 13) Compliance of previous Audits.
- 14) Ensuring that the feedback assimilated from all the stake-holders including students at different junctures of time are utilized in improving the various systems and processes that are in place, with an aim to achieve our set goals and objectives.
