

DATTA MEGHE COLLEGE OF ENGINEERING
(NATIONAL SERVICE SCHEME)

NSS ANNUAL REPORT
2025-26

Message From Programme Officer

Dear All,
Greetings

With immense pride and gratitude, I present the NSS Annual Report for the academic year 2025–26. This year has been truly remarkable, filled with impactful activities and unwavering dedication from our volunteers. Our NSS unit has strived relentlessly to uphold the spirit of social responsibility and community development.

Throughout the year, a wide variety of activities were conducted. More than a thousand saplings were planted as part of our environmental initiatives, and over 300 units of blood were collected through meticulously organized blood donation drives. We also hosted several workshops focused on women empowerment, aiming to promote awareness, self-reliance, and confidence among women in the community.

A seven-day residential camp was successfully organized at the tribal village of Mothijui Chrner in Raigad district.. Volunteers also undertook the repair of village roads, enhancing accessibility for the local population. Additionally, village schools were beautified through wall paintings designed to spread social and educational awareness.

I take this opportunity to extend my heartfelt gratitude to the college management for their constant support in every aspect. I am sincerely thankful to our respected Principal, Dr. P.A. Dode, for his consistent encouragement and guidance. I also acknowledge the valuable support of all Vice Principals and Heads of Departments, whose encouragement played a crucial role in motivating our volunteers.

A special word of thanks to all staff members who participated in the special camp despite various challenges.

Last but not the least, my heartfelt appreciation goes to our dedicated volunteers whose selfless efforts, sincerity, and spirit of service have been the true driving force behind all our accomplishments.

Regards,
Dr.P.M.Ingole
NSS Programme Officer

In the Spirit of Service:

NSS at Datta Meghe College of Engineering

District Level Street Play Competition

8th November 2025

We participated in a district-level street play competition at Thane under NSS on 8th November 2025, performing on the theme of civic sense. The play highlighted responsible citizen behavior, cleanliness, and public discipline, helping us build confidence, teamwork, and awareness about our social responsibilities.
