The institute is the recognized Research Center of the University of Mumbai for Ph.D. (Technology) programmes in Civil, Computer, Mechanical and Electronics Engineering.

About Department of Civil Engineering

Department of Civil Engineering is one of the oldest departments in the Institute established way back in 1988. Today, the Department has got the intake of 180 at UG level (120 Regular Shift and 60 Second Shift). Being the oldest in the Institute, the department has encouraged and prepared students for academic and industrial needs. Academic activities are enriched by frequent field visits, projects, seminars and workshops. The Department offers wide range of elective courses in the diverse spectrums of Civil Engineering.

The batches passed out have maintained a consistent record of passing percentage of final year over 90% - 95%. Many students of final year have secured the distinction and appeared in the University Merit List. Gold Medals have been conferred on to many students for having scored highest marks either in aggregate or in individual subject. More than 90 students have completed their PG since 2010-11 and nine candidates have been awarded Ph.D. degree by the University of Mumbai through our Research Center since 2012-13.
