REPORT

A one day Seminar on "Current Issues in Intellectual Property Rights in India." was conducted by Chemical Engineering Department on 17/06/2020. The resource person was Dr. Ritesh Ramesh Palkar (Associate Professor Rajkot Gujrat). The National Intellectual Property Rights (IPR) Policy 2016 was adopted in May 2016 as a vision document to guide future development of IPRs in the country. Its clarion call is "Creative India; Innovative India". It encompasses and brings to a single platform all IPRs, taking into account all inter-linkages and thus aims to create and exploit synergies between all forms of intellectual property (IP), concerned statutes and agencies.

Resource person Dr. Ritesh Ramesh Palkar explains above mentioned topics in brief. Total 54 students have participated in online mode.
