Student volunteers are conducting games with tribal students.

Tribal students are doing sports activities.

In Palasdhari, sports activities were arranged that would give the students an opportunity to showcase their talents and improve their self-confidence and encourage them to overcome stage fear. For sports, we visited the grounds, removed all pebbles which could hurt children and drew boundary lines and markings with chalk. We conducted 4 different sports: kabaddi, kho-kho, 100 m running race, and relay race. The childrens' participation was great and they enjoyed playing those sports actively and with enthusiasm.
