Report on MOU for Internship Programs

A seminar on internship opportunities in the IT sector was held by department of Information technology of Datta Meghe College of Engineering on **19 November, 2021**. The seminar featured several industry experts who provided insights on the various internship opportunities available in the field, as well as tips on how to secure an internship.

The first speaker was the HOD of IT Department of DMCE, who discussed the importance of internships in the IT sector, stating that they provide valuable hands-on experience and can lead to full-time employment opportunities. She also highlighted the various roles that interns can take on, such as software development, quality assurance, and data analysis.

The second speaker was the recent graduate of DMCE, who completed an internship at a startup. He shared his experience and gave advice on how to stand out in the internship application process. He emphasized the importance of networking and building relationships, as well as the value of showcasing one's skills and passion for the field.

The final speaker was the placement coordinator of DMCE. He discussed the importance of setting goals and developing a plan for one's career in the IT sector. He also provided tips on resume building and preparing for job interviews.

Overall, the seminar was a success and provided valuable insights and advice for those interested in pursuing an internship in the IT sector.
