### Subject: Request for Internship to DMCE Students

Dear Sir, Season's greetings. DMCE established. in 1988, is NAAC accredited institute, affiliated to University of Mumbai, **recognized by DTE & Govt. of Maharashtra** and approved by **AICTE** New Delhi. The department of Civil Engineering alone caters to about 850 students studying at Graduate level, 40 at Post-graduate level in Structural Engineering and 10 at PhD research centre.

In regards to the internship for our UG students, Sir, I request you to allow our students for **onemonth** internship at your design offices/ projects or sites. They will serve as helping hands to your officials and students will get some hands on experience. This internship is entirely at the cost and responsibility of students. They will neither pay anything nor will get paid for the internship by College or Company.

I assure you of their disciplined behavior and their following your 'code of conduct'.

Thanking you in anticipation, with regards.

Dr. S. D. Sawarkar,

Principal

Datta Meghe College of Engineering.
