Circular

Date: 13.07.2021

Sub: Restricted entry to automobiles

This is to inform that our Institute gives priority to GREEN CAMPUS INITIATIVES. Green Campus serves to educate community about sustainability related initiatives that pertains to campus. We want to encourage good sustainable living practices to our teaching and non-teaching staff and students.

Transportation is responsible for approximately 25% greenhouse emissions. The emission can be reduced by encouraging the collages to use vehicles having low to zero emissions.

Thus, all teaching, non-teaching staff and students are instructed not to bring personal automobiles inside the gate
