Accountability

- **Status Removed for Suspicious Transaction Task**

The Status field was removed for the Suspicious Transactions task on the End of Day page. This task was never intended to have an active status, as the data shown is intended to be informational.

Accountability > End of Day

Eligibility

- **Small Changes to Direct Certification Extensions**

We have made a couple of minor changes to how direct certification extensions are handled.

1. Inactive students will no longer be shown as available source students in the Search & Review tab to extend benefits from
2. The same students can be repeatedly matched via the Manual Match option if the new Direct Certification type is higher on the precedence order

Eligibility > Direct Certification > Extensions
