

July 2025

Dear PTA Leader,

The *California State PTA Toolkit* provides guidance, instruction and ideas to support a successful PTA term. I hope you will utilize this valuable tool to assist your PTA/PTSA with the important work that you do on behalf of all children, youth, and families in California.

The online *Toolkit* includes all of the information and chapters in an easy format for quick access. You can click on the drop-down menus to find key topics, use the search tool, or view the more detailed table of contents for each section to find the information you are looking for. You can also “toggle” between the English and Spanish versions as well as download and print certain pages, chapters, or the entire *Toolkit*.

The *Toolkit* reflects the hard work of the California State PTA Board of Managers to create the best possible resource for you. It is based on more than 100 years of best practices by PTAs around our state. Many of your questions and concerns can be answered here. Remember, if you can't find it in the *Toolkit*, you can reach out to your council, district or state PTA to answer your questions.

We review the *Toolkit* on an ongoing basis and make updates after Board of Managers adoption. You can find a quick list of changes by clicking the [“list of recent updates”](#) link to the right-hand margin.

Thank you for all you do. You are a valuable part of our association and I look forward to working with you *Today, Tomorrow, Together*.

Sincerely,

Heather Ippolito
