

Cash Price Checker

Why pay more for the same care?

Compare the cash price to the insurance company price. Then choose the LOWER price. It's that simple.

Why use Cash Price Checker?

- ★ Avoid overpaying for care
- ★ Avoid surprise medical bills
- ★ It's your hard-earned money
- ★ Keep more of your paycheck

How it works:

- 1 Search for your care, such as: Blood Work, Imaging, Procedures, Surgery
- 2 Then compare:
Cash Price vs Insurance Price
- 3 Choose the better deal!

Did you know?

- Cash prices are often lower
- Most people never meet their deductible
- The same medical care can have very different prices

IMPORTANT:

Always confirm your final price with your provider before care.

This is a subscription membership. This is NOT Insurance.
