Better Healthcare. Less Cost. *Real Freedom.*

Health Freedom helps people **save money on everyday care**. Get access to blood work, generic drugs, in-person urgent care, telemedicine and hospital bill help.

Routine care should not cost an arm and a leg. **All this for one low monthly price.**

Our Impact

1. Care when you need it
2. Care you can afford
3. No surprise bill
4. No bill at time of service
5. Stay healthy for less
6. All for one low fixed monthly fee

Health Freedom *Ultimate* Member Journey

Routine care does not belong in a hospital.

Keep more money for your family while still getting the care you need and deserve.

Health
Freedom
Helps!

50M

consumers without insurance

100M

with a high deductible they will never meet

This is NOT insurance. This is a subscription membership for healthcare related services.
