A Taste of South Durham

The southern portion of Durham is a distinctly modern suburb in an area that also has several nature features for those fond of the outdoors. It is home to one of the nation's top super-regional malls, The Streets at Southpoint, and several retail centers that exist symbiotically with the mall, serving both residents and travelers on Interstate 40.

For more information about the Southpoint area including complete dining & shopping listings, scan the code or visit bit.ly/southpointarea.
