

END-OF-YEAR INSTALLER REBATE

\$400 BACK ON EVERY MODULE*

Installers can get a \$400 USD rebate on every HomeGrid Stack'd Series module purchased from September 4, 2025 through December 31, 2025. Contact HomeGrid for details.

Here's how it works:

1. Become a HomeGrid Certified Installer

Not officially certified yet? Join a Friday training to get qualified (plus earn a NABCEP Continuing Education credit).

[Join a Training >](#)

2. Stock the Stack'd Series

Purchase modules from any of our trusted distribution partners.

(Note: Purchases through Greentech Renewables are not eligible for this rebate, as special pricing is already reflected in their programs.)

[Find a Distributor >](#)

3. Get Paid

Register each module's serial number at the link below within 60 days of purchase to receive your rebate.

[Claim Your Rebate >](#)

*Exclusions apply- see terms and conditions. Full details available from HomeGrid upon request.
