

ASCP 2025 Annual Meeting: Path to Atlanta***Program Content and Disclosure***

The primary purpose of this activity is educational and the comments, opinions, and/or recommendations expressed by the faculty or authors are their own and not those of the ASCP. There may be, on occasion, changes in faculty and program content. In order to ensure balance, independence, objectivity, and scientific rigor in all its educational activities, and in accordance with the Accreditation Council for Continuing Medical Education (ACCME) Standards for Integrity and Independence in Accredited Continuing Education, the ASCP requires all individuals in positions to influence and/or control the content of ASCP CME activities to disclose whether they do or do not have any financial relationships with ineligible companies producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients, with the exemption of non-profit or government organizations and non-health care related companies. These relationships are reviewed and any identified conflicts of interest are mitigated prior to the activity.

The following Live Learning Strategic Planning Committee Members, Curriculum, Educational Resource and Scientific Advisory Board Members, and Faculty have no relevant financial relationships with ineligible companies to disclose:

Faculty are asked to use generic names in any discussion of therapeutic options, to base patient care recommendations on scientific evidence, and to base information regarding commercial products/services on scientific methods generally accepted by the medical community. All ASCP CME activities are evaluated by participants for the presence of any commercial bias and this input is utilized for subsequent CME planning decisions.

Accreditation Statement:

The American Society for Clinical Pathology (ASCP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation Statement:

The ASCP designates this Other/Blended Learning activity (live course and enduring material) for a maximum of **17.5 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
