The Future 50 program started in 1988 with the Metropolitan Milwaukee Association of Commerce, with BizTimes Media serving as a partner. The program returned in 2022 after a two-year hiatus during the COVID-19 pandemic with BizTimes Media taking the lead in planning the awards and MMAC remaining a partner.

To be part of the program, companies submit data on their employment and revenue since 2022. BizTimes then verifies information with each company's accountant and banker. Each business is then ranked based on employment and sales growth over the past three years and expected growth this year with a formula that also accounts for company size.

This year's Future 50 honorees will be recognized at a luncheon on Friday, Sept. 19, from 11 a.m. to 1:30 p.m. at the Italian Community Center in Milwaukee.
