# Switzerland: Alpine Splendor

July 9 - 17, 2026

OXFORD VOYAGER CLUB

**Dear Members,**

I'm thrilled to announce one of the most exceptional travel experiences The Oxford Club has ever offered—our **2026 Switzerland Highlights Tour**, taking place July 9–17, 2026. This journey blends luxury travel, world-class scenery, once-in-a-lifetime cultural access, and of course, exclusive financial insights from Chief Investment Strategist **Alexander Green**. From five-star hotels in **Zurich, Lucerne, Zermatt**, and **Geneva** to private transfers, curated tours, and gourmet meals, every detail has been designed to provide an elegant, enriching escape through the heart of the Swiss Alps.

Throughout the week, you'll enjoy a remarkable variety of experiences available only to our small group. Relax during a private after-hours tour of Zurich's Fraumünster Church—complete with a private concert. Savor a gourmet lunch at Liechtenstein's Park Sonnenhof, ride to the summit of Mount Pilatus, cruise across Lake Lucerne at sunset, travel first class aboard the legendary Glacier Express, and stand before the Matterhorn from breathtaking Gornergrat. You'll also indulge in chocolate, cheese, and wine tastings, stroll historic Old Towns, and enjoy a memorable farewell dinner on the shores of Lake Geneva.

For those wishing to continue their journey, an exquisite extension awaits in Italy. Experience the grandeur of Verdi's *Nabucco* in the legendary Arena di Verona—a breathtaking open-air opera under the stars and truly a once-in-a-lifetime cultural event. Then, surrender to the timeless allure of Venice, where two days amidst its shimmering canals and historic splendor provide the perfect finale to your European escape.

This journey is not only beautifully curated—it is **extremely limited**. Because of the exclusive venues, luxury hotels, and the intimate size of our financial seminar, **space is very restricted, and the tour will sell out quickly**. Our European trips are historically among our fastest-filling events, and with a spectacular itinerary and peak-season travel dates, demand is already high. If you've dreamed of experiencing Switzerland at its most elegant and authentic, this is truly the perfect opportunity.

As always, I would love to welcome you personally on this unforgettable adventure. To secure your place, I encourage you to reserve now before our limited spaces are gone. Please contact our travel partner Maggie Stephens at AESU World Travel 800. 638. 7640 Ext. 125 or email [maggie@aesu.com](mailto:maggie@aesu.com). We expect the tour to reach capacity very soon.

Warm regards,

Steven King
