MULTIPLIED

Faith Church Family,

This year, we're reminded more than ever that church isn't just a building. It's where God equips us to go out into the world, carrying His light and His love to people who need it most.

We've already seen His grace multiplied in powerful ways. In January, we launched the brand-new Fairview Heights Campus, and lives are being changed every single week. The Lake Worth Campus is now preparing to open their doors to hundreds of people hungry for hope. And while those buildings are being completed, God has been working through YOU to make an impact far beyond their walls.

When devastating storms swept through St. Louis, Faith Church was able to be on the ground helping families clean up, and even purchase homes for those who lost everything.

On top of that, we also launched the Upward sports program for kids in our communities. Every game, every practice, every moment on the field is an opportunity to invest in the next generation and remind them that they are seen, loved, and chosen.

That's what happens when bold faith meets God's unearned, undeserved favor. Grace keeps multiplying - immeasurably more than we could ever plan or imagine (Ephesians 3:20).

The best part? This same grace is going to overflow into your life in this next season. The story God is writing for our church - and for you - is only accelerating. We've seen incredible things already, but we're convinced the most exciting chapter is still to come.

We are so thankful for you and honored to stand with you. We can't wait to see all that God does next!

We call you BLESSED,
Pastors David & Nicole Crank

GOD DIDN'T *FORGET*

Virtue spent years behind the wheel—angry and broken. The weight of unforgiveness and heartbreak after his marriage fell apart left him feeling invisible. He was ready to give up. *Then the phone rang.* Virtue had been attending the Men of Faith Connect Group, and one of the men called him...right on time. *That moment changed everything.* For the first time in years, Virtue realized *God hadn't forgotten him.* He wasn't alone. He could let his walls down, and healing began. Now, Virtue knows *nothing goes to waste with God.* Through Faith Church, he found healing, purpose, and a place to call home.

VIRTUE'S STORY

"Show me your friends, and I'll show you your future." Dwayne woke up in a hospital bed, confused and surrounded by his children. He didn't know why he was there, until doctors told him he'd had a stroke and wasn't expected to live. Fear crept in, but God told him not to worry, and his Faith Church family showed up in force, visiting, praying, and encouraging him every step of the way. Today, Dwayne's living proof that when life feels uncertain, God provides the right people to lift us up and remind us that we're never alone.

DWAYNE'S STORY

WE'RE *NEVER* ALONE

YOU CAN BE A PART OF THIS *EXCITING OPPORTUNITY!*
