Serial Number: Refer to label on bottom plate

This product is an electronic musical instrument intended for indoor use only.

2. Safety Information

Intended Use

Operate this product only as a musical audio device powered by an external DC power supply matching the specifications below. Use indoors, in a dry location, and in a well-ventilated area.

Electrical Safety

- Power requirements: 9V DC, center-negative, ≥ 220 mA, regulated
- Check polarity before connecting power
- Do not expose to moisture, rain, or liquids — risk of short circuit and shock
- Disconnect from power before cleaning or when not in use

Risks & Misuse

- Keep away from heat sources and direct sunlight Do not modify the device
- Avoid dropping or applying excessive force
- Keep out of reach of children under 14
- Do not insert objects into openings

Environmental Safety (WEEE)

- Do not dispose of electronic equipment in household waste
- Recycle according to local electronic waste regulations

3. Quickstart

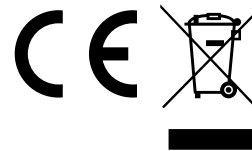

1. Connect to a suitable power adapter (9V DC, center negative, regulated).
2. Connect audio output to your mixer, audio interface, or amplifier.
3. Turn on the power and adjust volume gradually.
4. Consult the manual for full functions and creative features.

Avoid extreme temperatures and humidity during use and storage.

4. Compliance & Legal Notice

This product complies with the following European regulations and standards:

- Electromagnetic Compatibility Directive (2014/30/EU)
- Low Voltage Directive (2014/35/EU), where applicable
- RoHS Directive (2011/65/EU + amendment 2015/863)
- Waste Electrical and Electronic Equipment Directive (2012/19/EU)
- EU General Product Safety Regulation 2023/988

WEEE Registration Number: DE 89812488

Your product's serial number (on the bottom plate) must be provided for traceability and warranty claims.

5. Warranty & Consumer Rights

This product is covered by the two-year legal guarantee for consumers in the EU, valid for defects that existed at the time of purchase.

To make a claim, contact us at contact@bodysynths.com with proof of purchase.

You may return the product within 14 days if unused and in original condition. Please contact your dealer or Body Synths before returning the product — unarranged returns may be refused.
