

## Virtual Run Participant Guide

### What is the Cinco de Miler Virtual Run?

Our Virtual Run consists of a 5 mile option. Run (or walk) the distance wherever and whenever you want. We'll ship the goodie bag and medal right to you.

### Where can I Run/walk?

Anywhere! This is your Virtual Run, and we want you to complete it wherever you want. Sidewalks, paths, treadmill- make this run your own! Want to Run with a stroller or Fido? Do it! We just ask that you tag us @cincodemiler so we can see these great photos!

### What is included in my packet?

The 2020 Cinco de Miler Virtual Run includes the long sleeve tech tee with the calavera skull on the front, along with the gold calavera skull finisher's medal, race bib, and extra fun surprise goodies!

### When do I need to complete my run?

We're encouraging you to do your 5 miles on the original race date of 5/2/20, but if that doesn't work for you, that's okay! Do the run whenever works best for you! Once completed, you can log your time in your EnMotive account and download a finishers certificate.

### Do I need to submit results to get a medal?

Your medal will be mailed to you with your packet, but if you'd like to download a finishers certificate with your results, you can go here to enter your information:

### How do I track my distance and time?

For the Virtual Run, we accept results on the honor system, but the most accurate tracking is typically via a device with GPS tracking.

### When will my packet ship?

Packets will begin shipping week of 4/27/2020.

### Do you ship internationally?

The Cinco de Miler Virtual Run is currently only open to US addresses within the contiguous United States. At this time, we cannot ship to Alaska, Hawaii, or anywhere internationally.

### What do I do if my goodie bag doesn't fit?

#### Can I swap it?

We do not offer any size exchanges post packet shipment. All changes to sizes need to be made prior to confirming registration. We highly recommend that all participants take care to view the sizing chart to order the correct size.
