8	2019								40	50	60	80	100	110
9	2018									30	40	50	60	70
10	2017										30	40	50	50
11	2016											30	30	40
12	2015												20	30
13	2014													20
14	2013													20
15	2012													10

Assessments listed above may be deducted from the 2026 Automobile and Light Truck Assessment Guides. For make and model names that correspond to this chart, see attached listing. Reductions for "High Mileage" are not statutory, and are an appeal matter.

Note: Deduction for High Mileage may not exceed 50% of the assessed value per instructions from the Price Digest vehicle guide.

Note: For business use vehicles, multiply the listed figure by 1.75 to reach the appropriate figure based on the 10.5% assessment ratio.
