COMMITTEE REPORTS:

ADMINISTRATION & FINANCE

Chairman Dorriety stated pursuant to the May 5th meeting of the Administration & Finance committee that we recommend the approval of the second reading of the budget as presented in today's agenda. He also stated in the meeting that it is suggested in the budget of giving $3000 COLA per employee, and $5000 to the Sheriff's office. Last year there were substantial savings and as we all know the economy is having a difficult time finding employees in every business, therefore, we will give an additional $2K per employee presently on record. Florence County recognizes that our biggest asset is our employees. The Committee approved the additions to the budget. Chairman Dorriety mentioned that there will be another committee meeting in two weeks.

PUBLIC SERVICES AND COUNTY PLANNING

The Committee met last Friday, May 13, 2022. Shawn Breshear stated that the planning is going well (60% complete). We will have it pushed out by late August. Mr. Breshear mentioned that he met with Mr. Smith prior to the meeting to review and ensure certain things were included in the plan such as festivals, airport, traffic, and racetrack… the next step will be to have workshops for the Policy Committee and the Comprehensive Plan Committee so we can have an understanding of the future land use plan that will be rolled out and make sure we have some flexibility in those areas.

JUSTICE & PUBLIC SAFETY

Committee Chairman Springs stated on May 4th the Justice and Public Safety Committee convened to discuss pertinent topics. These topics included a review of a proposed UFD contract, an update on the needs of the Florence County Radio System, a lengthy discussion with the Chiefs of the UFD to discuss long-term goals, and short-range plans, as well as the UFD's proposed FY 2023 budget. As a result of the meeting, we are awaiting legal advice from the county attorney as to the appropriateness of a UFD contract before we proceed any further. The UFD Chiefs will meet in the coming weeks to prioritize goals and develop timelines for implementation of these goals. The overall plan is to have these goals agreed- upon prior to the development of the 2023/2024 UFD budget. The Committee also approved a motion to recommend that the County utilize ARPA funding to upgrade the Microwave system and necessary radio flashes for all users on the radio system with consideration to be refunded monies from agencies if they received ARPA funding. This was adopted by the Administration & Finance Committee in the second reading of the budget. The Committee approved the 2022/2023 UFD budget with the addition of five new positions including two new firefighters for West Florence Fire Department to staff the Hoffmeyer Road Fire Station and three new firefighters for Windy Hill Fire Department to staff the Touchstone Energy Industrial Park Fire Station. This will provide both departments with six paid firefighters on duty 24/7. This is in response to high call response in these areas along with low volunteer participation. The Committee also approved a motion to allow for the UFD budget to reflect salary increases equal to any increase approved for Florence County employees. These items were also adopted into the second reading of the budget.

EDUCATION, RECREATION, HEALTH & WELFARE

Committee Chairman Poston made a motion to Council that it is the recommendation of the Committee to approve Lynches River County Park to include an Equestrian Trail with an RV facility, campsites, and related appurtenances and authorize the Florence County Administrator to solicit requests for proposals or bids for the said project to Council to be funded from the Fund Balance as of June 30, 2021. Councilman Poston made the motion, seconded by Councilman Brand. Mr. Smith stated per the presentation in the Committee meeting the University of South Carolina has noted that there are in excess of 74,000 horses in the state of SC …this equine presence equates to over $2 billion dollars in revenue a year in this state alone..presently there are only a handful of public spaces to be utilized by one of our favorite recreational activities…this enhancement will surely attract thousands of additional visitors to our county and should double the park's annual revenue…the park without question is a "diamond in the rough" and beckons for travelers to visit and enjoy the natural beauty of this inviting and relaxing environment… we are projected to see over 100,000 visitors in 2022 and that number is destined to multiply from this endeavor. The funding will come from the fund balance which increased by almost $10M for the year…the exponential growth came from the decision to save the Cares Act Reimbursement of over $6M and additionally from salary savings of over $3M.. these salary savings will also fund the incentive pay plan for FY2023's budget. The motion was approved unanimously (Councilmen Bradley & Yarborough approved telephonically).

Councilman Brand made the motion and was seconded by Councilman Poston. Mr. Smith stated in our deliberative, Administration & Finance meeting on May 5th that the world is in somewhat of a disarray. If you've watched the news of late you've been bombarded by the latest iteration of our existence known as the "Great Resignation"… This movement propagated by social media, COVID and the like has among other things placed a burden on budgets throughout the world. These times of uncertainty create challenging times however "challenging times can create rewarding opportunities"…in this budget, we hope to seize on this opportunity to reward our most valuable asset… our outstanding employees ….over the past year employee turnover has been increasing to approximately 25% or almost 200 positions….currently there are 128 full-time vacant positions…. With 56 of these slots in the sheriff's office and detention center (+4 EMD). This budget includes a fixed dollar cost of living adjustments for all full-time employees of $3,000.00 and $2,250.00 per eligible part-time employee (28hrs per week or more)…also included is an additional ($2,000.00 for all sworn officers in the FCSO.... Additionally for Council consideration is a one-time incentive pay plan that is presented in total in the contingency –employee incentive pay line item in the general fund… management recommends this incentive be paid in equal quarterly amounts beginning August 31, 2022, and continuing through May 31, 2023,….. this one-time amount of $1.82M is to be paid from FY2021 salary savings. The total budgeted revenue for FY 2023 is currently estimated at $72.1M up $5.6M from the FY2022 Budget…tax revenue is expected to increase $2.3M driven by the natural growth of approximately 1.5% and a 3.79 allowable millage increase. This increase will be partially offset by a 2.4 mil decrease on bond mills for a net increase of approximately 1.39 mils…total budgeted expenditures are estimated at $76M which includes budgeted usage of fund balance totaling $3.9M to fund the incentive pay plan and capital items….the fund balance grew by $9.8M in FY2021 of which $6.4M was Cares grant reimbursements received and $3.4M from salary and other savings….utilizing a portion of this excess fund balance over and above the 25% level is reasonable and fiscally responsible at this time….general fund appropriations have also been reduced by utilizing ARP funding for eligible capital requests of $5.1M to include $1.98M for radio microwave system and $611,000 for radio flash upgrades, $1.12M for I.T. investments in disaster recovery cyber security and remote access…$838,000 for three ambulances and two quick response vehicles, and $485,000 for an ambulance for Johnsonville and one for Pamplico….budget requests exceeded the current year budget level by close to $10.6M

FARMERS TELEPHONE LAWSUIT

Council Authorized The County Administrator To Execute Any Documents Necessary To Enter Into The Settlement Agreement With Farmers Telephone Cooperative, Inc., FTC Communications, LLC, And FTC Diversified Services, LLC. Councilman Springs made the motion, and was seconded by Councilman Moore. Mr. Smith stated it is fruitless to continue with litigation. Mr. McEachin stated is a result of a protest of property taxes for tax years 2010 through 2015 by the Farmer Entities. The Farmers entities seeks a refund of property taxes paid and a property tax operator service and answering services. FTC diversified Services, LLC provides landline telephone services, internet service and security services. Beginning in 2010 the Farmers Defendants challenged the assessed value of their property. This challenge is made each year up until 2017 when the Department of Revenue granted Farmers Telephone Cooperative, Inc. a property tax exemption under S.C. Code Ann. 4-37-220 (B) (10) for the tax years 2010 through 2016. In this agreement, it was provided that the wireless telephone service and landline telephone service qualified for the property tax exemption under the quoted statute. As a result, the assessed value of the Farmers Telephone Cooperative Communications, LLC and Farmers Telephone Cooperative Diversified Services, LLC went from an assessed value in 2015 of $4,206,020.00 to $0. Clarendon County, Florence County, Lee County, Sumter County, and Williamsburg County challenged the agreement between the South Carolina Department of Revenue and the Farmers Telephone entities. The case was first tried in the Administrative Law Court and the counties were not successful. The case is now pending on Appeal in the South Carolina Court of Appeals. To date the County has incurred $120,062.91 in attorney fees. Continuation of the lawsuit will result in additional attorney's fees with an uncertain outcome. It is the recommendation of the legal department that the County enter into the settlement agreement. The motion was approved unanimously. (Councilmen Bradley & Yarborough approved telephonically)

COUNCIL-ADMINISTRATOR FORM OF GOVERNMENT FOR FLORENCE COUNTY

INDUCEMENT RESOLUTION PROVIDING FOR A FEE IN LIEU OF TAX AGREEMENT BETWEEN FLORENCE COUNTY AND PROJECT ANGLER AND OTHER MATTERS RELATING THERETO

1. Florence County, South Carolina (the "County"), acting by and through its County Council (the "County Council") is authorized and empowered under and pursuant to the provisions of the Code of Laws of South Carolina 1976, as amended (the "Code"), particularly Title 12, Chapter 44 of the Code (the "Act"); (i) to enter into agreements with certain investors to construct, operate, maintain, and improve certain projects through which the economic development of the State of South Carolina (the "State") will be promoted and trade developed by inducing manufacturing and commercial enterprises to locate and remain in the State and thus utilize and employ the manpower, agricultural products, and natural resources of the State; and (ii) to covenant with such investors to accept certain fee in lieu of ad valorem tax ("FILOT") payments, including, but not limited to, negotiated FILOT payments made pursuant to the Act, with respect to a project; and

2. A company currently identified as Project Angler (the "Company"), desires to invest capital in the County in order to expand its manufacturing facility in the County (the "Project"), provided that approvals of various incentives contemplated for the Project are formalized by the State and/or County; and

3. The Project is anticipated to result in an investment of approximately $50,000,000 and the creation of approximately 20 new, full-time jobs; and

4. The Company has requested that the County enter into a Fee Agreement, thereby providing for negotiated FILOT payments and infrastructure and/or special source revenue credits ("SSRCs") with respect to the Project; and

5. The County has determined on the basis of the information supplied to it by the Company that the Project would be a "project" and "economic development property" as such terms are defined in the Act and that the Project would serve the purposes of the Act, and, accordingly, the County wishes to induce the Company to undertake the Project by offering certain negotiated FILOT benefits and SSRCs, which shall be further described and documented in a Fee in Lieu of Tax and Incentive Agreement to be entered into by the County and the Company (the "Incentive Agreement") and subject to the terms and conditions set forth therein; and

6. Pursuant to the authority of Section 4-1-170 of the Code and Article VIII, Section 13 of the South Carolina Constitution, the County agrees to use its best efforts to ensure that the Project is located in a multi-county industrial and business park established, or to be established, by the

DRAFT

County (the "Park") pursuant to a qualifying agreement with one or more contiguous South Carolina counties.

NOW, THEREFORE, BE IT RESOLVED by the Florence County Council duly assembled that:

Section 1. The County Council hereby finds that: *(i)* the Project is anticipated to benefit the general public welfare of the County by providing services, employment, recreation, or other public benefits not otherwise adequately provided locally; *(ii)* the Project gives rise to no pecuniary liability of the County or a charge against its general credit or taxing power; *(iii)* the purposes to be accomplished by the Project are proper governmental and public purposes and the inducement of the location of the Project within South Carolina is of paramount importance and the benefits of the Project to the public are greater than the cost (which latter finding has been made using an appropriate cost-benefit analysis); *(iv)* it has evaluated the Project considering all relevant and required factors, including, but not limited to, the anticipated dollar amount and nature of the investment to be made and the anticipated costs and benefits to the County, and all other criteria prescribed by law; *(v)* the Project will constitute a "project" within the meaning of the Act; and *(vi)* the Project and the County's actions herein, will subserve the purposes of the Act.

Section 2. The County hereby agrees to enter into a fee in lieu of tax arrangement with the Company under the Act. The County agrees to provide for negotiated FILOT payments for a period of 30 years for each component of the Project placed in service during the investment period under the Act. The negotiated FILOT payments shall be calculated using a 6% assessment ratio and a 5-year adjustable millage rate in accordance with Section 12-44-50(A)(1)(b)(ii) of the Act for a period of 30 years for each component of the Project placed in service during the investment period.

Section 3. The further details of the FILOT and the SSRCs shall be prescribed by subsequent ordinance of the County to be adopted in accordance with South Carolina law and the rules and procedures of the County. The Incentive Agreement is to be in substantially the form customarily used by the County for similar transactions with such changes therein as shall be approved by said ordinance.

Section 4. The County agrees to use its best efforts to ensure that the real property on which the Project is located (the "Property") is placed in a Park (to the extent the Property is not already located in a Park) for at least the longer of a 30-year period or the period of time the FILOT arrangement is in place.

Section 5. This resolution shall constitute an inducement resolution for this Project within the meaning of the Act.

Section 6. This resolution shall constitute "preliminary approval" pursuant to Section 12-44-110(2) of the Act by which property may be placed in service prior to the execution of a FILOT agreement but still constitute economic development property under the Act.

Section 7. All orders, resolutions, and parts thereof in conflict herewith are, to the extent of such conflict, hereby repealed. This resolution shall take effect and be in full force from and after its passage by the County Council.

BE IT ORDAINED BY THE FLORENCE COUNTY COUNCIL, SOUTH CAROLINA, IN COUNCIL ASSEMBLED, AS FOLLOWS:

ARTICLE I

FINDINGS OF FACT

Section 1.01 Findings.

As an incident to the adoption of this Ordinance, the Florence County Council (the "Council"), the governing body of Florence County, South Carolina (the "County"), finds that the facts set forth in this Article exist and the statements made with respect thereto are in all respects true and correct.

As of June 1, 2015, the County entered into a Base Lease Agreement (the "2015 Base Lease") and a Public Facilities Purchase and Occupancy Agreement (the "2015 Facilities Purchase Agreement") with Florence County Public Facilities Corporation, a South Carolina nonprofit corporation (the "Corporation"). Pursuant to the 2015 Base Lease, the County leased certain real property to the Corporation.

Pursuant to the 2015 Facilities Purchase Agreement, the facilities subject to the 2015 Base Lease were developed, financed, acquired, designed, equipped, constructed, and made available for use by the County for a new County Judicial Center (the "Judicial Facilities"). The 2015 Facilities Purchase Agreement further provides for the payment by the County on a semi-annual basis of a portion of the purchase price of the Judicial Facilities ("2015 Base Payments"). By the making of 2015 Base Payments to the Corporation, the County acquires an undivided interest in the Judicial Facilities. Upon the making of the final scheduled 2015 Base Payment under the 2015 Facilities Purchase Agreement and the final 2021 Base Payment under the 2021 Facilities Purchase Agreement (as defined below), the County will have purchased all interest of the Corporation in the Judicial Facilities and will own the same outright.

The Corporation has, pursuant to the terms of a Trust Agreement between it and The Bank of New York Mellon Trust Company, N.A., as Trustee (the "Trustee") of the Corporation's $42,000,000 Installment Purchase Revenue Bonds (Judicial Center Project), Series 2015 (the "2015 Bonds"), assigned its right to receive 2015 Base Payments, as defined in the 2015 Facilities Purchase Agreement, to the Trustee. The 2015 Base Payments have been calculated to yield the exact amount due by way of principal and interest on the Revenue Bond.

On April 22, 2021, the Corporation, pursuant to a 2021 Supplement Trust Agreement dated as of April 1, 2021, between it and The Bank of New York Mellon Trust Company, N.A., issued its $37,870,000 Installment Purchase Revenue Refunding Bonds Taxable Series 2021 (the "2021 Bonds"), the proceeds of which were used to defease those Series 2015 Bonds maturing after October 1, 2023, leaving those 2015 Bonds maturing in 2021, 2022, and 2023 outstanding.

The 2021 Bonds are secured by and payable from amounts paid as Base Payments (the "2021 Base Payments") by the County under a First Amendment to Facilities Purchase and Occupancy Agreement dated as of April 1, 2021 (the "2021 Facilities Purchase Agreement").

As of December 1, 2017, the County entered into a Base Lease Agreement (the "2017 Base Lease") and a Public Facilities Purchase and Occupancy Agreement (the "2017 Facilities Purchase Agreement") with the Corporation. Pursuant to the 2017 Base Lease, the County leased certain real property to the Corporation.

Pursuant to the 2017 Facilities Purchase Agreement, the facilities subject to the 2017 Base Lease were developed, financed, acquired, designed, equipped, constructed, and made available for use by the

DRAFT

County for a new Parking Garage (the "Parking Facilities"). The 2017 Facilities Purchase Agreement further provides for the payment by the County on a semi-annual basis of a portion of the purchase price of the Parking Facilities ("2017 Base Payments"). By the making of 2017 Base Payments to the Corporation, the County acquires an undivided interest in the Parking Facilities. Upon the making of the final scheduled 2017 Base Payment under the 2017 Facilities Purchase Agreement, the County will have purchased all interest of the Corporation in the Parking Facilities and will own the same outright.

The Corporation has, pursuant to the terms of a Bond Agreement between it and Branch Banking and Trust Company, now Truist Bank, as purchaser (the "Purchaser") of the Corporation's $11,100,000 Installment Purchase Revenue Bond (Florence County Projects), Series 2017A (the "2017 Bonds"), assigned its right to receive 2017 Base Payments, as defined in the 2017 Facilities Purchase Agreement (the "2017 Base Payments"), to the Purchaser. The 2017 Base Payments have been calculated to yield the exact amount due by way of principal and interest on the 2017 Revenue Bonds.

On March 30, 2021, the County and the Corporation amended the terms of the 2017 Bond to provide a lower rate of interest applicable thereto in order to effect a debt service savings with respect to the 2017 Bond, and in connection therewith amended the schedule of 2017 Base Payments.

Together, the 2015 Base Payments, the 2017 Base Payments, and the 2021 Base Payments are hereinafter referred to as the "Base Payments".

The County's installments of Base Payments falling due on October 1, 2022 amount to a total of approximately $4,342,135.75. In addition, Base Payments will be due April 1, 2023 (the "April 2023 Payment") and amount to approximately $447,376.50. In consultation with the County's financial advisor, the County is considering a single issuance of Bonds to fund such Combined Payments and subsequent issues in September of each year for such purpose. The County has determined to adopt this ordinance to authorize the issuance of general obligation bonds of the County, in one or more series, to provide funds with which to pay a portion of the net Base Payments due under the 2015 Facilities Purchase Agreement, the 2017 Facilities Purchase Agreement, and the 2021 Facilities Purchase Agreement in October, 2022, and, at the option of the County as determined by the County Administrator in consultation with the County's Finance Director, a portion of Calendar year 2023, and costs of issuance of such bonds.

Section 1.02 Recital of Applicable Constitutional Provisions.

The Council is advised that the assessed value of all taxable property in the County for the year 2021, excluding property subject to a fee-in-lieu of ad valorem property taxes, will amount to $514,362,066. Accordingly, the eight percent general obligation debt limit of the County as established by Section 14 of Article X of the South Carolina Constitution amounts to not less than the sum of $41,148,965. As of the date of issuance of the bond authorized hereby, the County will have outstanding and chargeable against the debt limit general obligation bonded indebtedness in the amount of $24,226,000. The County is therefore permitted under Section 14 of Article X of the South Carolina Constitution to issue the proposed general obligation bonds in order to raise the required sum, not to exceed $4,830,000, and under the provisions of said Section 14 of Article X of the South Carolina Constitution and of Act No. 113 of the 1999 Acts of the General Assembly of the State of South Carolina (now codified as Sections 11-27-10 through 11-27-100, Code of Laws of South Carolina, 1976) may do so without the necessity of holding an election.

Section 1.03 Holding of Public Hearing.

Pursuant to the provisions of Section 4-9-130 of the Code of Laws of South Carolina, 1976, as amended, a public hearing, after giving reasonable notice, is required to be conducted prior to the third and

DRAFT

final reading of this Ordinance by Council. Such public hearing has been duly held by Council prior to third reading of this Ordinance.

Section 1.04 Notice Pursuant to Section 11-27-40.

The Council is mindful of the fact that Section 4-9-1220 of the Code of Laws of South Carolina, 1976, as amended (the "S.C. Code"), applies to the provisions of this Ordinance. In the event that the County Administrator determines in his sole discretion that it is necessary to proceed as soon as possible to issue and deliver a series of Bonds authorized hereby, the County may avail itself of the provisions of Paragraph 8 of Section 11-27-40 of the S.C. Code with respect to either of the Bonds. In such case, notice shall be published in substantially in the form attached hereto as Exhibit A.

If he determines such to be in the best interests of the County, the County Administrator may elect to sell any series of Bonds to the purchaser thereof as an obligation the interest on which is included in the gross income of the Holder for purposes of federal income taxation (in such case, a "Taxable Bond") as opposed to an obligation the interest on which is not included in the gross income of the Holder for purposes of federal income taxation (in such case, a "Tax-Exempt Bond").

Section 8.02 Covenants Applicable to a Tax-Exempt Bonds.

In the event any series of Bonds is issued as a Tax-Exempt Bond, the following covenants shall apply:

The County will comply with all requirements of the Code in order to preserve the tax-exempt status of such Bond, including without limitation, the requirement to file the information report 8038-G with the Internal Revenue Service. In this connection, the County covenants to execute any and all agreements, certificates and other documentation as it may be advised by Bond Counsel will enable it to comply with this Section, and such agreements, certificates and other documentation may be executed by an Authorized Officer and by the County Administrator or either of them.

The County hereby represents and covenants that it will not take any action which will, or fail to take any action which failure will, cause interest on such Bond to become includable in the gross income of the Holder thereof for federal income tax purposes pursuant to the provisions of the Code and regulations promulgated thereunder in effect on the date of original issuance of such Bond. Without limiting the generality of the foregoing, the County represents and covenants that:

(a) All property provided or refinanced by the net proceeds of such Bond will be owned by the County in accordance with the rules governing the ownership of property for federal income tax purposes.

(b) The County shall not permit the proceeds of such Bond or any facility refinanced with the proceeds of the Bond to be used in any manner that would result in (a) ten percent (10%) or more of such proceeds being considered as having been used directly or indirectly in any trade or business carried on by any natural person or in any activity carried on by a person other than a natural person other than a governmental unit as provided in Section 141(b) of the Code, or (b) five percent (5%) or more of such proceeds being considered as having been used directly or indirectly to make or finance loans to any person other than a governmental unit as provided in Section 141(c) of the Code.

agency and will not enter into any such leases or contracts unless it obtains the opinion of nationally recognized bond counsel that such action will not affect the tax exemption of the Bond.

Section 8.03 Ability to Meet Arbitrage Requirements.

Careful consideration has been given to the time in which the expenditures will be made. It has been ascertained that, in the event a series of Bonds is issued as a Tax-Exempt Bond, all of the money received from the proceeds of such Bond will be expended within the limitations imposed by Section 148 of the Code and the Treasury regulations promulgated pursuant thereto. Accordingly, the Council will be able to certify upon reasonable grounds that such Bonds herein provided for are not "arbitrage bonds" within the meaning of Section 148 of the Code.

Section 8.04 Qualified Tax-Exempt Obligations.

In the event a series of Bonds authorized herein is issued as Tax-Exempt Bonds and the County and all entities subordinate thereto will not issue tax-exempt obligations in the principal amount exceeding $10,000,000 in the calendar year in which such series of Tax-Exempt Bonds will be issued, the County Administrator is hereby authorized to designate such series of the Bonds a "qualified tax exempt obligation" within the meaning of Section 265(b)(3)(B) of the Code.

THIS EASEMENT ("**Easement**") is made this ____ day of _____ 20____, from **FLORENCE COUNTY** ("**Grantor**", whether one or more), to **DUKE ENERGY PROGRESS, LLC**, a North Carolina limited liability company ("**Grantee**").

Grantor, for and in consideration of the sum of One and 00/100 Dollar ($1.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, does hereby grant unto Grantee a perpetual and non-exclusive easement, to construct, reconstruct, operate, patrol, maintain, repair, replace, relocate, add to, modify, and remove electric and communication lines including, but not limited to, all necessary supporting structures, and all other appurtenant apparatus and equipment for the transmission and distribution of electrical energy, and for technological purposes related to the operation of the electric facilities and for the communication purposes of Incumbent Local Exchange Carriers (collectively, "**Facilities**").

The rights granted herein include, but are not limited to, the following:

1. Grantee shall have the right of ingress and egress over the Easement Area, Property, and any adjoining lands now owned or hereinafter acquired by Grantor (using lanes, driveways, and adjoining public roads where practical as determined by Grantee).

2. Grantee shall have the right to trim, cut down, and remove from the Easement Area, at any time or times and using safe and generally accepted arboricultural practices, trees, limbs, undergrowth, other vegetation, and obstructions.

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

Good morning Rusty, hope you're doing well.

We have a continuation of the project we just worked together on near the Florence County EMS Station.

Essentially, we are planning to turn one existing power line into two. This is being done to reduce the load on surrounding homes and businesses and to better accommodate future development in Florence County. In turn, we believe this will help by reducing power outages as well.

I have attached the map and easement for your reference. All we will need to do is run an underground line across the front of the lot at the Fire Station on 1033 S Ebenezer Rd. This will be done at no cost to Florence County.

Is there a time I can meet with you to discuss this? If the easement needs to go to a council meeting, hopefully we can get it on the agenda before June items are due.

Thanks!

RE: Non-Binding Letter of Intent for Independence Farms

Dear Dr. Whitehead:

Please accept this letter as indication that Florence County (County) is interested in acquiring "Independence Farm" , a 498-acre property situated on Creek Road and the Lynches River (Florence County Parcel Number 00326-31-001). The property is currently owned by the Open Space Institute Land Trust, (OSILT) Inc and would be offered to Florence County for purchase and use as a public greenspace. Florence County will be the grant applicant to the South Carolina Conservation Bank (Application due 7/31/22) and Lynches River Conservation Fund (Application due 9/31/22) for conservation acquisition funds. After the required grant approvals are obtained to complete the acquisition, OSILT and the County would proceed to a contract for sale subject to conservation easement. Terms of the conservation easement and the specific details and responsibilities of the parties will be subsequently approved by Council. . With approved grant funds, it is expected that Florence County will take title to the Property in February of 2023.

Florence County envisions a range of uses on the property to include hiking, boating, fishing, camping (including overnight RV camping), sporting clay shooting, and other types of compatible recreation. The County would own the property subject to the conservation easement and the grant agreement of the SC Conservation Bank, but would be under no affirmative obligation to create or maintain any facility(ies) or open the property to the public on any specific timeline. Florence County is not being called on to contribute to the purchase price of the property and can manage the 90 acres of upland timber for park management revenue (e.g. timber harvest, use permit fees (camping, rv), weddings). Open Space Institute Land Trust has offered assistance in drafting, submitting and managing the grants, as well as park planning and implementation expertise as needed by Florence County. Should Florence County determine that they are not interested, the South Carolina Department of Natural Resources has been identified as a potential long-term owner for the property. The final project details will come before Council for approval in July, 2022.

Acquisition of the site by Florence County would be contingent upon the following conditions:

1. Approval of a Contract of Sale by County Council.
2. Approval of Conservation Easement by County Council.
3. The property remains in its current state.
4. Good and marketable title supported by a title opinion.
5. Transfer in fee simple absolute to Florence County for the entire acreage.

6. Removal of all liens, mortgages and other encumbrances, including easements of record or otherwise, which would not be disclosed by an onsite inspection of the property. Outstanding oil, mineral, hunting, timber, or similar rights are not acceptable encumbrances.
7. The purchase price of the property does not exceed the appraised fair market value.
8. Final project approval of the acquisition by County Council.

Please acknowledge receipt of this letter by obtaining signature below and returning it to Rusty Smith. Thank you for your assistance and we look forward to working with you.

Sincerely,

Acknowledgement: I acknowledge receipt of this non-binding letter of intent and understand Florence County cannot acquire the subject property until a contract of sale and conservation easement are approved by Florence County Council.

Good afternoon sir,

After careful consideration and review of the property listed at 823 St. Claire Drive, Florence, it is my recommendation that we move forward with placing the purchase on April's Agenda for County Council's approval. Initially, the list price for the property was $360,000.00 and appraised in 2019 at $382,142.00. Due to a team effort, we were able to secure it for a purchase price of $250,000.00. It will require some updating, but has a lot of potential and will serve the citizen's and this office for a very long time. Thank you for your patience and cooperation during this endeavor.

TJ JOYE, SHERIFF

June 1, 2022

Mr. K. G. Smith, Jr.
Florence County Administrator
180 N. Irby Street
Florence, SC 29501

Dear Mr. Smith,

I have attached the Council Fact Sheet requesting (1) one Glock model 17, 9mm handgun to be declared surplus for the purpose of awarding to a retired employee that served 26 years with Florence County.

Randy Propps began his career with the Florence County Sheriff's Office on July 1, 1974 and served the sheriff's office as a Patrol Deputy, Narcotics Investigator, Patrol Lieutenant and retired as the Patrol Division Captain on April 1, 2000.

While assigned to Narcotics, Propps was one of several deputies that is credited with the largest air seizure of drugs in South Carolina history when (18) eighteen tons of marijuana was seized at the Florence Airport on December 30, 1977.

Propps graduated from the FBI National Academy in March, 1993.

Upon retirement, Propps was never awarded his duty weapon and recently contacted my office with his request. I believe this is a justified request and I would be glad to discuss this further if you have any questions.

Sincerely,

TJ Joye
Florence County Sheriff

Dear Councilman Bradley,

I would like to start this letter with a fervent thank you for the support the Florence Family YMCA has received from the Florence County Council the past several years. The financial donations given to the YMCA have provided a gym curtain which is still holding strong after all these years, fencing for the original portion of Friendship Park, and many other donations that have supported the programs and operations we offer.

The interest shown by County Council regarding the Friendship Park area of our property the past couple of years has been wonderful. To update the Council on what has occurred at the park since Brian New last corresponded with you, we have procured some playground equipment, additional fencing around the playground area, and a walking track. A local Boy Scout built and donated two benches near the playground as his Eagle Scout project this year. A Florence Family YMCA board member has submitted a request to his employer, MUSC, asking MUSC to donate and install exercise stations around the walking track.

All of the progress made at Friendship Park is thrilling, and we are hoping to keep the momentum going as we seek to complete all outstanding projects in the near future. Usage at the park is increasing as more projects are completed and the weather warms. It is a delight to see families from the community, as well as Y members, enjoy Friendship Park. I am writing you to seek another collaborative effort between the Florence Family YMCA and Florence County Council. Final paving of the track was completed just this morning, and we hope to install the remainder of the fence around the track in an effort to allow parents to exercise and use the park while their children utilize the playground without fear of their children wandering into the nearby roadway. Another large project to complete is the restroom at Friendship Park. A small building with plumbing and electricity sits on the property. Much work is needed to get the restroom building functional once again. A gift of $20,000 or more would allow us to complete the fence, pay the balance on the walking track, and begin the process of renovating the restroom building at Friendship Park. The Foundation of the Carolinas granted $50,000 for the walking track, which leaves us with a $5500 balance not yet covered by grants or gifts.

The Florence Family YMCA is hopeful the Florence County Council is interested in assisting us with these projects at Friendship Park. We look forward to working with you in the near future.

Sincerely,
