DRAFT

Planning & Zoning: Gateway TIF District: The consultant continues to work on the intent of the TIF, stating, "The challenge that we continue to see is that this area is responding to two different intents: first, redevelopment/revitalization along Palmetto (blight) and then larger-scale economic development opportunities near the interchange (sprawl). It wants to serve two purposes, but we believe you need the interchange area to make the Palmetto corridor numbers effective. This isn't necessarily a bad thing but does take some nuance to how we approach the messaging on the back end."

Parks & Recreation:
- DeWitt's Bluff Landing Dock (Establishing PO for design work)
- Lights4Paws Phase II Electrical Extension – center island will be completed next week; then we will wait for Santee to come mark the lines and meter bases before moving forward.
- Lights4Paws: FM transmitter purchased (this will allow for music to be played in visitors' cars while on the driving section).

Tax Assessor: As scheduled on August 18th, the Administrative Law Judge heard arguments between the owners of the Magnolia Mall and the Florence County Assessor's Office on valuation. The Assessor's office previously agreed to a valuation of approximately $51 million; the owners of the Magnolia Mall's opinion of value is established at $32 million. ORDINANCE NO. 31-2019/20

COUNCIL-ADMINISTRATOR FORM OF GOVERNMENT FOR FLORENCE COUNTY

AN ORDINANCE TO IMPOSE A ONE PERCENT SALES TAX, SUBJECT TO A REFERENDUM, WITHIN FLORENCE COUNTY PURSUANT TO THE CAPITAL PROJECT SALES TAX ACT; TO DEFINE THE SPECIFIC PURPOSES AND DESIGNATE THE PROJECTS FOR WHICH THE PROCEEDS OF THE TAX MAY BE USED; TO PROVIDE THE MAXIMUM TIME FOR WHICH THE TAX MAY BE IMPOSED; TO PROVIDE THE MAXIMUM COST OF THE PROJECTS OR FACILITIES FUNDED FROM THE PROCEEDS TO BE RAISED BY THE TAX; TO PROVIDE FOR A COUNTY-WIDE REFERENDUM AND TO CONCUR IN THE CONTENTS OF THE BALLOT QUESTION IN SUCH REFERENDUM; TO ESTABLISH THE PRIORITY IN WHICH THE PROCEEDS OF THE TAX ARE TO BE EXPENDED; TO AUTHORIZE THE ISSUANCE OF GENERAL OBLIGATION BONDS OF FLORENCE COUNTY, SUBJECT TO SUCH REFERENDUM, TO DEFRAY COSTS OF PROJECTS AND ISSUANCE COSTS; TO PROVIDE FOR THE CONDUCT OF SUCH REFERENDUM; TO PROVIDE FOR THE ADMINISTRATION OF THE TAX; TO PROVIDE FOR THE PAYMENT OF THE TAX; AND TO PROVIDE FOR OTHER MATTERS RELATING THERETO.

BE IT ENACTED BY FLORENCE COUNTY COUNCIL, SOUTH CAROLINA, IN MEETING DULY ASSEMBLED:

Section 1. Findings. As an incident to the adoption of this ordinance, Florence County Council (the "Council"), the governing body of Florence County, South Carolina (the "County"), has made the following findings:

(a) Pursuant to the Capital Project Sales Tax Act, codified as §4-10-300 *et. seq.*, Code of Laws of South Carolina, 1976, as amended (the "Act") the Council may impose a one percent sales and use tax (the "Tax"), subject to a referendum, within the County for specific purposes and for a limited amount of time.

(b) The Council is authorized pursuant to §4-10-320 of the Act to create a commission for the purpose of considering proposals for funding capital projects within the County and formulating a question to appear on the ballot. Pursuant to a resolution adopted by the Council on October 17, 2019, the Florence County Capital Project Sales Tax Commission (the "Commission") was created for the purpose of considering proposals for funding capital projects and the formulation of a referendum question. Members of the Commission were appointed in accordance with the provisions of §4-10-320 of the Act.

(c) The Commission has considered proposals for funding capital projects within the County and has approved and delivered to the Council a referendum question (the " Question") to appear on the ballot (the "Ballot") for a referendum to be held in the County on November 3, 2020 (the "Referendum"), which Ballot, including the Question, is attached to this Ordinance as Exhibit A. The Question sets forth certain projects and facilities (the "Projects") and the estimated costs of the Projects and sets forth the maximum time for which the Tax shall be imposed.

(d) The Commission has further received a recommendation from the County's financial advisor and County administration that the Question also include the issuance of general obligation bonds of the County in an amount not to exceed $120,000,000 (the "Bonds") to defray a portion of the costs of the Projects, all pursuant to §4-10-330 (D) of the Act.

(e) The Council finds that the imposition of the Tax will serve a public purpose, provide funding for the design, engineering construction and improvement of the Projects, as well as facilitate economic development, promote public health and safety, promote desirable living conditions, and meet present and future needs of the County and its residents.

(f) The Council has determined to order the holding of the Referendum for the purpose of submitting to the qualified electors of the County the question of the imposition of the Tax pursuant to the Question and the issuance of the Bonds.

(g) There is presently imposed in the County a sales and use tax pursuant to the Act and a referendum held in the County on November 5, 2013 (the "Prior Tax"). The Tax may not be imposed in the County until such time as imposition of the Prior Tax has terminated in accordance with the Act. The Council is advised that the Prior Tax will terminate in accordance with the Act on April 30, 2021. Therefore, collection of the Tax, if approved by the Referendum, would commence on May 1, 2021 and terminate on April 30, 2028.

Section 2. Adoption of Defined Terms. All terms defined by capitalization in Section 1 of this Ordinance shall have the meanings so provided throughout the remainder of this Ordinance.

Section 3. Imposition of Tax: Projects; Priority of Funding.

3.1 The Tax is hereby imposed in the County, subject to a favorable vote of the qualified electors voting in the Referendum.

3.2 The Tax, if approved by the Referendum, shall be imposed immediately upon the termination of the Prior Tax, e.g. on May 1, 2021 and shall continue for seven years from the date of such imposition, to April 30, 2028 in accordance with §4-10-340(A) of the Code.

3.3 The Florence County Registration and Elections Commission (the "Election Authority") shall certify not later than November 10, 2020 the results of the Referendum to the Council and, if such results are favorable to the imposition of the Tax, to the South Carolina Department of Revenue. The Council shall, by resolution, declare the results thereof.

3.4 The principal amount of the Bonds to be issued pursuant to the Referendum shall not exceed $120,000,000, excluding such premium, if any, named by the purchaser of the Bonds as a portion of the purchase price of the Bonds. The proceeds of the Tax shall be pledged to payment of the Bonds, and applied thereto in accordance with Section 4.8 of this Ordinance. Earnings derived from the investment of proceeds of the Bonds may be applied by the Council in its discretion to defray the costs of Projects in accordance with Section 4.8 of this Ordinance, or to pay debt service on the Bonds. Application of all such investment earnings shall be subject to the obligation of the County as issuer of the Bonds to rebate certain of such investment earnings to the United States Treasury pursuant to the provisions of §148(f) of the Internal Revenue Code of 1986, as amended, and the regulations pertaining thereto.

3.5 The maximum cost of the Projects to be funded from proceeds of the Bonds and investment earnings as described in Section 4.4 herein will not exceed $120,000,000. The maximum amount of proceeds of the Tax expected to be used to pay debt service on the Bonds is approximately $136,000,000; however, the Council recognizes that this amount is an estimate and is subject to fluctuations in interest rates. The maximum cost of all Projects set forth in the Question is $141,695,128.

3.6 So that the construction of many of the Projects can be commenced as soon as possible and in order to achieve the most economic and efficient use of proceeds of the Tax, Council has determined that the Bonds should be issued to defray Project costs.

3.7 As provided in the Question, the Projects and the maximum costs thereof are as follows:

The cost of acquiring (including, in certain instances, the acquisition of real property), constructing, furnishing, and equipping all or a portion of the cost of the following projects:

3.8 As required in §4-10-330(B) of the Code, Council has determined that the priority in which the Projects shall be funded and the formula by which proceeds of the Tax and the Bonds shall be distributed as follows:

(1) The Projects described in Sections I through III of the list of Projects above (the "Project List") shall be funded simultaneously from the proceeds of the Bonds at the amounts specified for each in the Project List.

(2) Any proceeds of the Bonds allocated to any of the Projects described in Sections I through III of the Project List remaining after such Project is complete shall be applied, to the extent necessary, to any other Project described in Sections I through III of the Project List for which funding is inadequate due to cost overruns. Allocation of Bond proceeds to Projects with cost overruns shall be in the sole discretion of Council, and shall be made from time to time by Resolution of Council.

(3) Any proceeds of the Bonds remaining thereafter shall be applied to the Projects described in Section IV of the Project List by dividing the amount of such proceeds of the Bonds equally among the nine (9) County Council Districts listed in Section IV of the Project List, and shall be applied with respect to the Projects within each such County Council District in the same order as the Projects are listed within each such County Council District in Section IV of the Project List.

(4) The County shall maintain in the debt service fund established for the Bonds an amount equal to principal and interest to be paid on the Bonds during the next succeeding thirteen (13) months, provided, however, that if economic conditions so require, the Council reserves the right to direct by ordinance supplemental hereto that a larger balance be maintained in the debt service fund for payment of the Bonds. As shall be provided in an Ordinance of Council authorizing the issuance of the Bonds and establishing the terms thereof, Council may also establish a debt service reserve fund and restricted fund with respect to the Bonds which may be funded from proceeds of the Tax not required to pay debt service on the Bonds during the thirteen (13) months next succeeding their receipt.

(5) Proceeds of the Tax not required to maintain a debt service or debt service reserve fund in accordance with Section 3.8(4) above, shall be disbursed into a restricted fund or other fund established by Council and may be used first to pay any cost overruns of Projects in Sections I through III of the Project List not remedied pursuant to item (2) above and thereafter to pay the costs of Projects described in Section IV of the Project List in like manner as set forth in item (3) above.

(6) If, as to any Project, the political subdivision responsible therefore hereafter determines that such Project is not feasible owing to excessive cost overruns, or other intervening events, and notifies the Council of the same in writing, the proceeds of the Bonds and the proceeds of the Tax otherwise applicable thereto shall be allocated to Projects in accordance with (1) through (5) above.

Section 4. Referendum.

4.1 The Ballot to be submitted to the electors of the County in the Referendum shall be in the form as provided in Exhibit A hereto.

BE IT ORDAINED BY THE FLORENCE COUNTY COUNCIL, SOUTH CAROLINA, IN COUNCIL ASSEMBLED, AS FOLLOWS:

ARTICLE I

FINDINGS OF FACT

Section 1.01 Findings.

On July 16, 2020, the Council enacted Ordinance Number 31-2019/20 entitled: "AN ORDINANCE TO IMPOSE A ONE PERCENT SALES TAX, SUBJECT TO A REFERENDUM, WITHIN FLORENCE COUNTY PURSUANT TO THE CAPITAL PROJECT SALES TAX ACT; TO DEFINE THE SPECIFIC PURPOSES AND DESIGNATE THE PROJECTS FOR WHICH THE PROCEEDS OF THE TAX MAY BE USED; TO PROVIDE THE MAXIMUM TIME FOR WHICH THE TAX MAY BE IMPOSED; TO PROVIDE THE MAXIMUM COST OF THE PROJECTS OR FACILITIES FUNDED FROM THE PROCEEDS TO BE RAISED BY THE TAX; TO PROVIDE FOR A COUNTY-WIDE REFERENDUM AND TO CONCUR IN THE CONTENTS OF THE BALLOT QUESTION IN SUCH REFERENDUM; TO ESTABLISH THE PRIORITY IN WHICH THE PROCEEDS OF THE TAX ARE TO BE EXPENDED; TO AUTHORIZE THE ISSUANCE OF GENERAL OBLIGATION BONDS OF FLORENCE COUNTY, SUBJECT TO SUCH REFERENDUM, TO DEFRAY COSTS OF PROJECTS AND ISSUANCE COSTS; TO PROVIDE FOR THE CONDUCT OF SUCH REFERENDUM; TO PROVIDE FOR THE ADMINISTRATION OF THE TAX; TO PROVIDE FOR THE PAYMENT OF THE TAX; AND TO PROVIDE FOR OTHER MATTERS RELATING THERETO" (the "Initial Ordinance"). The Initial Ordinance was enacted pursuant to the authority of certain provisions of the Code of Laws of South Carolina, 1976, as amended (the "S.C. Code"), including the Capital Project Sales Tax Act, Sections 4-10-300 et seq. of the S.C. Code (the "Sales Tax Act").

Pursuant to the Initial Ordinance and the Sales Tax Act, a referendum was held in the County on November 3, 2020. As certified by the Florence County Voter Registration and Elections Commission, the question presented in the referendum (the "Referendum Question") was approved by the majority of the voters casting a vote therein, with 33,263 votes cast in favor and 13,944 votes cast in opposition.

Pursuant to the Sales Tax Act and approval of the Referendum Question, the imposition of the sales and use tax provided for in the Sales Tax Act, the third such sales and use tax imposed in Florence County ("CPST III") commenced May 1, 2021 and will terminate on April 30, 2028.

The Referendum Question contained projects permitted to be funded from the proceeds of CPST III pursuant to Section 4-10-330(A)(1) of the Sales Tax Act (the "Initial Projects").

On February 18, 2021, the Council enacted Ordinance No. 15-2020/21 entitled "AN ORDINANCE TO PROVIDE FOR THE ISSUANCE AND SALE OF NOT EXCEEDING ONE HUNDRED TWENTY MILLION DOLLARS ($120,000,000) GENERAL OBLIGATION BONDS OF FLORENCE COUNTY, SOUTH CAROLINA, TO PRESCRIBE THE PURPOSES FOR WHICH THE PROCEEDS SHALL BE EXPENDED, TO PROVIDE FOR THE PAYMENT THEREOF, AND OTHER MATTERS RELATING THERETO" (the "CPST Bond Ordinance").

Pursuant to the CPST Bond Ordinance, the County issued, sold, and delivered $120,000,000 in principal amount of general obligation bonds of the County on March 11, 2021 (the "CPST III Bonds") in order to provide funds to defray the costs of the Initial Projects.

The CPST III Bonds are payable from the revenues derived from the imposition of CPST III and mature on June 1, 2028.

Section 3.8 of the Initial Ordinance provides for a flow of funds relative to the CPST III revenues and the CPST III Bonds. Said Section 3.8 provides that an amount equal to the amount of principal and interest payable on the CPST III Bonds during the following thirteen months shall be maintained in the sinking

fund for the CPST III Bonds at all times, after which funds may be used to fund any debt service reserve fund established for the CPST Bonds and used to pay cost overruns with respect to the Initial Projects.

No debt service reserve fund has been established for the CPST III Bonds and all of the Initial Projects are either complete for fully funded with no cost overruns.

In consultation with the County's municipal financial advisor, County administration has projected that the amount of CPST III revenue that will be collected to April 30, 2028 will exceed debt service requirements with respect to the CPST III Bonds to the final maturity of the CPST III Bonds by between $50,000,000 and $80,000,000 (the "CPST III Excess").

Section 4-10-340(B)(3) of the Sales Tax Act, provides that, if excess revenues from the imposition of a capital project sales tax remain after all projects in the applicable referendum question have been fully funded and the capital project sales tax has not been reimposed, County Council may by ordinance apply may specify and direct the expenditure of such proceeds to other projects selected by County Council so long as the projects fall within the categories of project listed in Section 4-10-330(A)(1) of the Sales Tax Act.

CPST III is currently in effect and has not been reimposed.

As allowed by Section 4-10-340(B)(3) of the Sales Tax Act, Council therefore intends by and through this Ordinance to specify and direct the expenditure of $50,000,000 of the CPST Excess to public projects in the categories listed in Section 4-10-330(A)(1) of the Sales Tax Act.

Request for Additional HR Position from Tenae Reaves, HR Director back to top

To: Shannon Munoz, Deputy Administrator-Administration
From: Tenae Reaves, Human Resources Director
Date: August 14, 2026
Re: Request for Additional Human Resources Position

Purpose

This memo requests approval to add one (1) HR Coordinator position to the Human Resources department to address a growing workload resulting from organizational headcount growth.

Background

Over the past two years, Florence County's employee headcount has grown from 856 to 968 employees — a 13.08% increase — while HR staffing has remained at 5 employees. This has significantly increased the workload carried by existing HR staff across all core functions, including recruitment, onboarding, benefits administration, employee relations, policy compliance, and records management.

Current Challenges

- Staff-to-employee ratio: HR is currently supporting a ratio of approximately 1 HR staff : 194 employees, which exceeds recommended industry benchmarks, typically 1:100 for general support.
- Increased transactional volume: Higher headcount has directly increased the volume of new hire processing, benefits enrollments, employee inquiries, retirement processing and terminations.
- Response time and service quality: Current staffing levels are affecting turnaround time on employee requests, onboarding preparation, and proactive HR initiatives.
- Compliance risk: Stretched capacity increases the risk of missed deadlines related to required documentation, policy updates, and regulatory reporting.

- Limited capacity for strategic work: Existing staff are consumed by day-to-day transactional needs, leaving little to no time for training development, retention initiatives, or process improvement.

Proposed Solution

Adding one HR Coordinator position would restore an appropriate staff-to-employee ratio and allow the department to:

- Maintain timely, high-quality support for employees and managers
- Reduce compliance risk associated with delayed processing
- Free up capacity for proactive initiatives such as training, retention, and process improvements
- Support continued organizational growth without service degradation

Cost Considerations

The estimated annual cost of this position, including salary and benefits, is approximately $91,031.91. This should be weighed against the cost of continued strain on HR operations, potential compliance exposure, and the impact of delayed hiring/onboarding on other departments.

From the Staff:

The work we do within our HR department is highly specialized. The only person who knows how to do every job is our HR Director; however, she is tied up supporting directors, handling employee issues, and performing other tasks that are too sensitive in nature to be delegated. The benefits coordinator, retirement coordinator, and HR generalist are the only people (aside from the HR director) that can perform all job functions associated with their respective jobs. This means that if any one of them must be absent or were to leave employment, it would harm the workflow of the county significantly. The HR support specialist is responsible for the background work that makes it possible for the specialized workers to complete their job duties such as fielding phone calls, maintaining employee files, and handling correspondence.

Re: Recommendation for Award of 2026 Pee Dee Commerce Park Resurfacing Bid 08-26/27
D|F Job Number: 13896-00

Dear Mr. Yokim:

On October 8, 2026, six (6) bids on the referenced project were opened and read aloud. The bids have been reviewed. The lowest responsive, responsible bidder for the total Base Bid plus Alternates A, B, C and D is Palmetto Corp of Conway, located in Conway, South Carolina, with a total bid in the amount of $1,033,390.29. Palmetto Corp of Conway is also the low bidder for the Base Bid alone and for every combination of the Base Bid with the alternates.

Based upon a review of their current licensing status with the State, we feel the low bidder is both qualified and competent in performing work associated with the project. Davis & Floyd hereby recommends that the project be awarded to Palmetto Corp of Conway for the Base Bid and Alternates A, B, C and D in the amount of $1,033,390.29, to be funded using a combination of Capital Project Sales Tax IIIA (CPST IIIA), District 7 RSMF, and District 7 Infrastructure Funds.
