COUNCIL-ADMINISTRATOR FORM OF GOVERNMENT FOR FLORENCE COUNTY

AN ORDINANCE

AUTHORIZING THE EXECUTION OF AN EQUIPMENT LEASE-PURCHASE AGREEMENT IN AN AMOUNT NOT EXCEEDING $1,975,000 RELATING TO THE PURCHASE OF A HELICOPTER FOR THE FLORENCE COUNTY SHERIFF'S DEPARTMENT, AUTHORIZING THE EXECUTION OF OTHER NECESSARY DOCUMENTS AND PAPERS, AND OTHER MATTERS RELATING THERETO.

DRAFT

BE IT ORDAINED by the County Council of Florence County, South Carolina, in meeting duly assembled:

ARTICLE I

FINDINGS OF FACT

The County Council of Florence County, South Carolina, the governing body of Florence County, South Carolina, has made the following findings of fact:

Section 1.01

The County Council of Florence County, the governing body of Florence County (the "Council"), has determined that a need exists for and that it is necessary for Florence County (the "County") to acquire a helicopter (the "Equipment") for use by the County Sheriff's Department. The County anticipates that the total cost of the Equipment will not exceed $1,975,000. The Council has determined that it is in the best interests of the County to purchase the Equipment through a lease-purchase financing in accordance with the terms of this Ordinance.

ARTICLE II

AUTHORIZATION

Section 2.01 Approval of the Financing.

The Council hereby approves the entry of the County into a Lease-Financing Agreement in principal amount not to exceed $1,975,000 (the "Agreement") to finance the purchase of the Equipment and to pay issuance costs with respect to the Agreement. The Equipment shall be leased for a term not to exceed fifteen (15) years. The County Administrator of the County (the "Administrator") is authorized to negotiate the financing of the Equipment from qualified financial institutions, to determine the final principal amount and maturity date of the Agreement, and to accept the proposal which in her sole discretion shall be in the best interests of the County, provided, however, that approval by resolution of Council supplemental hereto shall be required prior to the acceptance of any proposal which includes a rate of interest in excess of seven percentum (7.0%) per annum.

The Agreement shall not constitute a debt of the County, and the full faith, credit and taxing power of the County shall not be pledged to secure payment of rental payments or other sums due pursuant to the Agreement.

Section 2.02 Authorization to Contract.

The Administrator is hereby authorized, empowered and directed to execute, acknowledge and deliver the Agreement and associated documents to the winning bidder and other appropriate parties. The execution of the Agreement by the Administrator shall constitute conclusive evidence of approval of the principal amount and rental payments due pursuant to the Agreement and the terms thereof.

DRAFT

Section 2.03 Other Documents, etc.

The Chairman of the Council, the Clerk to Council and the Administrator are hereby authorized to execute any and all other documents, instruments, certificates or other papers as they deem necessary and appropriate, with the advice of counsel, to accomplish the transactions contemplated by this Ordinance.

Section 2.04 Effective Date of Ordinance.

This Ordinance shall become effective upon the third and final reading thereof.

ARTICLE III

CERTAIN MATTERS PERTAINING TO THE INTERNAL REVENUE CODE

Section 3.01 General Tax Covenants.

The County will comply with all requirements of the Internal Revenue Code of 1986, as amended (the "Code"), in order to preserve the tax-exempt status of the Agreement including without limitation, the requirement to file the information report pertaining to the Agreement with the Internal Revenue Service.

Section 3.02 General Tax Representations and Covenants.

The County hereby represents and covenants that it will not take any action which will, or fail to take any action which failure will, cause the interest component of rental payments made pursuant to the Agreement to become includable in the gross income of the Holder thereof for federal income tax purposes pursuant to the provisions of the Code and regulations promulgated thereunder in effect on the date of original execution of the Agreement. Without limiting the generality of the foregoing, the County represents and covenants that:

(a) All property provided by the net proceeds of the Agreement will be owned by the County in accordance with the rules governing the ownership of property for federal income tax purposes.

(b) The County shall not permit the proceeds of the Agreement or any facility financed with the proceeds of the Agreement to be used in any manner that would result in (a) ten percent (10%) or more of such proceeds being considered as having been used directly or indirectly in any trade or business carried on by any natural person or in any activity carried on by a person other than a natural person other than a governmental unit as provided in Section 141(b) of the Code, or (b) five percent (5%) or more of such proceeds being considered as having been used directly or indirectly to make or finance loans to any person other than a governmental unit as provided in Section 141(c) of the Code.

(c) The County is not a party to or nor will it enter into any contracts with any person for the use or management of any facility provided with the proceeds of the Agreement that do not conform to the guidelines set forth in Revenue Procedure 2017-13, as may be modified by subsequent pronouncements of the United States Treasury Department applicable thereto.

(d) The County will not sell or lease the Equipment or any property provided by the Agreement to any person unless it obtains the opinion of nationally recognized bond counsel that such lease or sale will

not affect the tax exemption of the Agreement.

(e) The Agreement will not be federally guaranteed within the meaning of Section 149(b) of the Code. The County has not entered into any leases or sales or service contract with any federal government agency and will not enter into any such leases or contracts unless it obtains the opinion of nationally recognized bond counsel that such action will not affect the tax exemption of the Agreement.

Section 3.03 Qualified Tax-Exempt Obligations.

The County reasonably expects that it and all entities subordinate thereto will issue no tax-exempt obligations (other than private activity bonds) in calendar year 2027 which, along with the Agreement, would aggregate more than $10,000,000 in principal amount. Accordingly, the Agreement is hereby designated as a "qualified tax-exempt obligation" within the meaning of Section 265(b)(3)(B) of the Code.
