I also spoke with someone from AARP yesterday that's requesting to use the center to teach another driving safety course in September. They were approved by commission and taught this course back in July last year. Since this would be a repeat request would they need to come before commission again? I also attached the COI they provided last year. Would they need to re-submit an updated one since the policy was from 07/01/24-07/01/25'?

My name is Joquahn Graham, I want to talk to you about having a 4th annual community cookout and kickball game. Last few years was a success and everyone had a great time, it was perfect. I'll like to have the event again at Lavern Ard Park in Pamplico SC on 7/20/2025 from 4pm-8pm. It's a free event so we'll be serving free food, drinks, ice cream & treats for the community. There will be face painting and cotton candy for the kids. We'll also have a DJ for music and entertainment. I'm also considering inflatable bouncy house. Please feel free to contact me via email or at 843-601-1705 if there's anything else I need to know or do for the approval from the Florence County Recreation Center thank you.
