

Say hello to Envu Horizon Rewards

It's time to step into a program that's built around you. Envu Horizon Rewards helps you grow beyond the day to day by offering new ways to earn on purchases, valuable resources and a variety of options to redeem rewards such as gift cards and vacation or travel.

You'll also unlock Horizon Learning opportunities that expand your expertise, and get more chances to earn with limited-time Horizon Advantage programs. It's time to see where loyalty can take you.

Made to take you further, here's how the Envu Horizon Rewards program works:

- + Earn points on qualifying purchases and Envu Horizon Advantage programs
- + Stay a step ahead with Horizon Learning and access content that keeps your business moving forward with more ways to earn
- + Enroll before April 1; points deposited in September as well as in April the following year for sales in the second half of the year
- + Enroll April 1 – Sept. 30; points deposited in April the following year
- + Redeem points for rewards like vacation and travel, merchandise, gift cards and more
- + All purchases made through Envu authorized distributors or agents qualify
