

WRAPPING PAPER BAGS

WHAT YOU NEED:

wrapping paper
glue or tape
scissors
ribbon

(1) Place your wrapping paper horizontally, fold both sides towards the middle so there is a slight overlap. (2) Press edges firmly and use tape or glue to secure. (3) Fold up from the bottom, (4) pinch the corners, and press down flat. (5) Take the top and bottom flap and fold towards each other, making sure both sides overlap slightly. (6) Secure using tape or glue. (7) Turn the bag over, fold down the top flap and cut a small opening in the flap. (8) Thread ribbon through opening and tie into a bow. Add tag or any other embellishments.
