

SAVE ON YOUR PUMP SYSTEMS WITH FOCUS ON ENERGY®

Focus on Energy is offering municipal water/wastewater and agriculture customers who complete a pump assessment a **50% bonus**, up to **\$2,000**, for installing a VSD on their pump system. The total incentive, including the bonus, may not exceed the cost of the equipment. Projects must be completed within six months of the assessment, and no later than December 31, 2023.

Offering Details:

Offering	Incentive Code
50% VSD Bonus	5202

How Do I Participate

- 1 Complete a pump assessment with a Trade Ally. Download the Pump Assessment Application at focusonenergy.com/assessments. Submit the completed application.
- 2 Install a VSD on your pump system.
- 3 Submit a Business Incentive Application and include the VSD bonus incentive code in Section 7. Download the application at focusonenergy.com/catalogs.
- 4 Receive your financial incentive and see additional savings for years to come.

REDUCING ENERGY WASTE ACROSS WISCONSIN

Focus on Energy, Wisconsin utilities' statewide program for energy efficiency and renewable energy, helps eligible residents and businesses save energy and money while protecting the environment. Focus on Energy information, resources, and financial incentives help to implement energy efficiency and renewable energy projects that otherwise would not be completed.
