<b>Flipping</b> can lead to the flipped-mastery program .....	40
---	----

## CHAPTER 4

### how to implement the flipped classroom..... 41

Homework: The Videos ..... 42

Class Time..... 46

## CHAPTER 5

### the flipped-mastery classroom..... 51

A Quick Overview of Mastery Learning..... 52

What Is a Flipped-Mastery Classroom?..... 54

Components of a Flipped-Mastery Classroom ..... 58

## CHAPTER 6

### the case for the flipped-mastery model ..... 63

The **mastery model** teaches students  
to take responsibility for their own learning..... 64

The **mastery model** creates a way to  
easily personalize and differentiate the classroom..... 66

The **mastery model** makes learning the center of the classroom..... 67

The **mastery model** gives students  
instant feedback and reduces teacher paperwork..... 69

The **mastery model** provides opportunities for remediation ..... 71

The **mastery model** allows for multiple means  
of learning content..... 72

The **mastery model** provides multiple chances  
for demonstrating understanding..... 74

The **mastery model** changes the role of the teacher ..... 76

The **mastery model** teaches students  
the value of learning instead of “playing” school..... 76

The **mastery model** is easily reproducible, scalable,  
and customizable..... 77

The **mastery model** increases face-to-face time  
with the teacher ..... 78

The **mastery model** ensures that all students are involved ..... 78

The **mastery model** makes hands-on activities more personal..... 79

The **mastery model** makes teacher-led  
demonstrations more engaging ..... 80

The **mastery model** helps teachers help kids..... 81

**CHAPTER 7****how to implement the flipped-mastery model..... 83**

What to Do on the First Day.....	84
Find Out Which Students Are Ready for Self-Direction .....	85
Inform Parents About the Model .....	86
Teach Students How to Watch and Interact with the Videos.....	86
Require Students to Ask Interesting Questions.....	88
Set Up Your Classroom for Flipped Mastery.....	90
Allow Students to Manage Their Time and Workload.....	92
Encourage Kids to Help Kids .....	93
Build an Appropriate Assessment System.....	93

**CHAPTER 8****flipped learning in action..... 105**

One Teacher's Journey: Matthew Moore, Warrensburg, IL .....	106
Ashhurst Primary School, Ashhurst, New Zealand .....	109
Common Threads .....	114

**conclusion..... 115****APPENDIX A****best practices for making  
quality educational videos..... 119**

The Value of Creating Your Own Content.....	119
Building Quality Learning Objects.....	120
Principles of Good Digital Design.....	123
Ways to Create a Flipped Video .....	129
Other Tools Besides Video.....	135
Ideal Time Between Pework and Classwork .....	137
