Contents

Introduction x

CHAPTER 1

Learning Lessons from the Pandemic and Implications for the Future 1

Outcomes for Professional Learning 1
Clarity and Simplicity 2
Asynchronous and Synchronous Learning 3
Professional Development 4
Consistency 4
Feedback 4
Everyone's Well-Being 5
Challenges and Strategies for Teaching in a Concurrent Classroom 5
Collaboration 6
Student Products 6
Think-Alouds and Read-Alouds 7
Social-Emotional Learning 8
Assessment 9
Learning Interruption, Not Learning Loss 9
Personalized Learning 11
Conclusion 15

CHAPTER 2

Planning Essentials for Blended Learning and Beyond 17

Outcomes for Professional Learning 17
Exploring Blended Learning Models 19
Planning and Implementation Actions for Blended Learning Success 22
Conclusion 43

CHAPTER 3

Mapping the Course Scope and Sequence 45

Outcomes for Professional Learning 45
Formulating Course Objectives 47
Creating Outcomes for Student Learning 49

Organizing and Sequencing Units and Lessons 56
Aligning Assessments 59
Conclusion 62

CHAPTER 4

Constructing a Pacing Guide and Establishing Learning Expectations **65**
Outcomes for Professional Learning 65
Examining Pacing Guide Essentials 69
Designing a Pacing Guide Checklist 86
Evaluating a Pacing Guide Template 88
Conclusion 90

CHAPTER 5

Designing and Delivering Blended Instruction **91**
Outcomes for Professional Learning 91
Design Essential #1: Open with Optimism 93
Design Essential #2: Communicate Learning Outcomes 97
Design Essential #3: Activate Prior Knowledge 99
Design Essential #4: Build Academic Vocabulary 100
Design Essential #5: Deliver Engaging Instruction 106
Design Essential #6: Facilitate Student Discourse 111
Design Essential #7: Close with Optimism 115
Design Essential #8: Extending Learning Through Feedback and Reflection 120
Conclusion 121

CHAPTER 6

Designing and Delivering Virtual Instruction **123**
Outcomes for Professional Learning 123
Design Essential #1: Introduce the Lesson and Communicate the Learning Outcomes 125
Design Essential #2: Activate Prior Knowledge 129
Design Essential #3: Build Academic Vocabulary 131
Design Essential #4: Deliver Engaging Instruction 134
Design Essential #5: Provide Opportunities to Self-Assess and Automated Feedback for Students 143
Design Essential #6: Create Closure and Preview the Assessment 147
Conclusion 151

CHAPTER 7

Engaging Students with Authentic Assessments **153**
Outcomes for Professional Learning 153
Measuring Learning with Assessments 156
Engaging Students with Portfolios, Performance Tasks, and Products 157
Effective Formative Assessments 159
Designing Engaging and Authentic Assessments 163
Creating an Assessment Plan 168
Conclusion 176

CHAPTER 8

Maximizing Academic Feedback **179**
Outcomes for Professional Learning 179
Defining Feedback 181
Quality Feedback Essentials 182
Feedback Norms 185
Feedback as a Formative Assessment Strategy 187
Differentiating Feedback 188
Feedback Protocols 190
Conclusion 199

CHAPTER 9

Integrating Digital Citizenship **201**
Outcomes for Professional Learning 201
Strategies and Skills for the Digital Age 203
Building Context for Digital Citizenship 204
Framing Digital Citizenship 205
Integrating Digital Citizenship into the Classroom 207
Conclusion 209

Epilogue **211**
Commitment 1: Commit to Yourself 211
Commitment 2: Commit to Your Colleagues 212
Commitment 3: Commit to Your Students 213
