# **Mechanic's Liens**

Michael J. Mattia, Esq.  
Jeremy Kalina, Esq.

\* The authors gratefully acknowledge the assistance of Norman D. Alvy, Esq. and Frederick C. Wolsky, Esq. in the initial preparation of this text in 1990. Norman D. Alvy, Esq. also served as co-author from 1990–2017, and Marvin L. Schechter, Esq. served as co-author from 2018 until 2020.

New York State Bar Association publications are intended to provide current and accurate information to help attorneys maintain their professional competence. Publications are distributed with the understanding that NYSBA does not render any legal, accounting or other professional service. Attorneys using publications or orally conveyed information in dealing with a specific client's or their own legal matters should also research original sources of authority.

We consider the publication of any NYSBA practice book as the beginning of a dialogue with our readers. Periodic updates to this book will give us the opportunity to incorporate your suggestions regarding additions or corrections. Please send your comments to: Publications Director, New York State Bar Association, One Elk Street, Albany, NY 12207 or [publications@nysba.org](mailto:publications@nysba.org).

### **JEREMY KALINA, ESQ.**

Jeremy Kalina is a partner of the firm of Kalina & Mattia, P.C. and specializes in the areas of construction law, surety law, and commercial litigation. Mr. Kalina has litigated and arbitrated cases involving breach of contract, extra work, delays, acceleration, defective materials, changed conditions, latent defects, design errors, constructive abandonment, payment bonds, performance bonds, lien foreclosure, and other issues in the world of complex construction litigation, for both plaintiffs and defendants, on both public and private construction projects. Mr. Kalina routinely engages in complex and extensive motion practice, appellate practice, mediations, arbitrations and trials, and provides contract analysis and negotiation for clients as well.

Mr. Kalina graduated from The George Washington University with a Bachelor's Degree in Communications and graduated with a Juris Doctor degree from New York Law School, where he served as Associate Editor of the *New York Law Journal of Human Rights*. Mr. Kalina has won multimillion dollar awards after trial for contractors against owners, sureties, and other contractors. He was recently selected to the 2023 Super Lawyers list, a "rating service of outstanding lawyers who have attained a high-degree of peer recognition and professional achievement," which comprises the top 5% of all attorneys in New York State.

### **MICHAEL J. MATTIA, ESQ.**

Michael J. Mattia is a partner of the firm of Kalina & Mattia, P.C. and focuses on the areas of construction law, surety law, and commercial litigation. He received his Bachelor's Degree in Politics, Philosophy and Law from SUNY Binghamton and his Juris Doctor degree from Hofstra University School of Law. Mr. Mattia has litigated cases involving breach of contract, extra work, delays, acceleration, defective materials, changed conditions, latent defects, design errors, constructive abandonment, payment bonds, performance bonds, lien foreclosure, and other issues in the world of complex construction litigation, for both plaintiffs and defendants, on both public and private construction projects. Mr. Mattia has also lectured for Lorman Educational Service and the Nassau County Bar Associations.
