

## Amazon Business Benefit for NVFC Members

### What is the Opportunity?

National Volunteer Fire Council (NVFC) members can now create an Amazon Business account for their fire or EMS department under the NVFC's Amazon Business account, or link their department's existing Amazon Business Account as an "Associated Account" with the NVFC's account. By doing this, your department can take advantage of added benefits, including over 50% discount on Business Prime, access to millions of items to support your department, reorder lists, mobile ordering, preferred Amazon Private Label Items, and more.

### How Does it Work?
