

Louisiana State Profile

Updated December 2023

Louisiana has two multi-district fully online charter schools, a number of district programs, and a statewide Supplemental Course Academy, part of the Louisiana Department of Education. There is no state virtual school.

The two fully online schools enrolled 5,486 students during the 2022-23 SY. Virtual charter enrollment has been consistent over the past five years.

- 5,164 students in SY 2019-20
- 5,415 students in SY 2020-21
- 5,626 students in SY 2021-22
- 5,486 students in SY 2022-23
- 5,636 students for fall 2023

The Supplemental Course Academy (SCA) lists courses from 67 [providers](#) that are offered to K–12 students statewide for the 2023-24 SY. Providers must submit a [request for application](#) to the SCA for approval. The SCA also has a supplemental dual enrollment program with 27 community college and university [providers](#) as of October 2023.

There are several hybrid schools in the state including:

- The [eLearning Academy](#) combines online curriculum and instruction with learning centers in Thibodaux, New Orleans, Baton Rouge and Houma.
- In addition to enrolling full-time students from across the state, the [Louisiana Virtual Charter Academy](#) also has a hybrid program that gives students the opportunity for face-to-face instruction and remediation through its Blended Learning Centers in Baton Rouge, New Orleans, Lafayette, Alexandria, Shreveport, and Monroe.
