Educational Accreditation and Licensure

Fullstack Academy is not an accredited institution. We do not offer degree programs, nor do we offer courses transferable to any accredited institution, such as universities, colleges, etc.

Student Outcomes

IMPORTANT NOTE: FULLSTACK ACADEMY DOES NOT GUARANTEE OUTCOMES.

While Fullstack Academy promotes and publishes marketing materials demonstrating student skills, results, and outcomes, this information is not indicative of every student's future success. Certain results communicated in our marketing materials may not be typical amongst all graduates.

Furthermore, Fullstack Academy does not place students in jobs, nor do we provide students with jobs. Alumni success does not indicate guaranteed future results, as such outcomes may vary due to unpredictable factors such as an individual's performance, location, market conditions, etc...

Graduating from Fullstack Academy does not equate to complete mastery of the subject matter of the Course in which you have enrolled. Please speak with an admissions agent to discuss Course requirements, commitments, and your capacity for the program before enrolling.

You agree and acknowledge that your access to the Site and your agreement to these Terms do not confer any right to access or use the resources of Fullstack Academy or establish any relationship with Fullstack Academy or its instructors beyond the Site, that you are not enrolled, admitted or in attendance at Fullstack Academy and that you are not entitled to any student or academic grievance procedures. You agree that no joint venture, partnership, employment, or agency relationship exists between Fullstack Academy and you as a result of these Terms or your use of the Site.

You acknowledge and agree that by submitting an application and/or taking steps towards acceptance into a Fullstack Academy course of study does not guarantee acceptance.

Fullstack may, in its sole discretion, limit, suspend (temporarily or permanently) your access and use of the Services with or without prior notice. Additionally, Fullstack, at its sole discretion, may modify or discontinue its Services, in whole or in part.
