(Jesus Even Loves Little Ones)

*Jesus loves me this I know,  
For the Bible tells me so,  
Little ones that do believe,  
Life eternal they'll receive,  
Yes, Jesus loves me,  
Yes, Jesus loves me,  
Yes, Jesus loves me,  
The Bible tells me so*

## *Questions*

- 1 During the parade the crowd yelled “Hosanna” which means “save us”. What did the people shouting want Jesus to save them from?
- 2 Grace is a gift offered to you from God. How does it make you feel knowing you can receive this free gift? What does it mean to remember Jesus each time you eat the bread and drink the juice during Communion?
- 3 During the parade of Palm branches the crowd called Jesus the “son of David”. When Jesus died on Friday, he was called “the Son of God”. This makes us understand that Jesus was both 100% human and 100% God. How do you feel knowing that Jesus went through all the same feelings, pains, and hurts that we do? What does “Jesus knows what I am feeling” mean to you?
- 4 Is it easy for you to tell a stranger some exciting news? What does, “Jesus had to die and be raised by God so that we could have life” mean to you? As a family, how can we show that we follow Jesus?
