

MESSY CHURCH IS...

A way of being church for all ages. We are Christ-centered, creative, welcoming, and intergenerational as we celebrate God together. This is church - but not how you know it! Messy Church is found all over the world and focuses on welcoming people into the messy, grace-filled family of God.

MESSY CHURCH USA

Messy Church USA is the home for the global Messy Church movement in the United States. We are connected with Messy Churches around the world but specifically work within the US to help start, sustain, and connect Messy Churches.

OUR TEAM

In addition to our governing board and small staff, Messy Church USA has five teams of dedicated Messy Church leaders who are working to provide training, coaching, encouragement, written resources and more for local Messy Churches. We have Ambassadors all over the country sharing our Messy story.
