

\* A1- By providing a verbal consent to participate to this interview, I hereby authorize IOM and any authorized person or entity acting on behalf of IOM to process my personal data for the purpose of data collection for IOM's Displacement Tracking Matrix. I agree to be contacted by IOM in case further data verification is considered necessary. I also agree that my personal data is shared by IOM to humanitarian organizations for the purpose of providing humanitarian assistance. I hereby release, discharge and agree to hold harmless IOM, its officers, employees and agents from any liability or damage caused, directly or indirectly, to me, my family or relatives in connection with this authorization by virtue of the use or disclosure of my personal data for the specified purpose as described above.

*If first interview with Key Informant you must get Data Collection Consent form signed*

*If KI does not agree the interview ends. Please make a note of why they do not want to participate.*

OK

**A2- We are doing NPM round 12. Have you been interviewed by IOM in the past 7 days as part of the NPM Site Assessment?**

*If yes, confirm Key Informant was interview BY IOM NPM*

Yes

No

\*

A3- Locations include all villages, formal and informal camps and settlements, and any other types of known locations in which the Rohingya are living.

One form questionnaire is to be use to document one particular location i.e. one form per block or village.

Always make sure to record full name of the location, including any subdivisions, blocks, and zones.

OK

**Location Information**

**A4- Record Geo-coordinate**

*GPS coordinates can only be collected when outside.*

*Accuracy should be 8m or less.*

latitude (x.y °)

longitude (x.y °)

altitude (m)

accuracy (m)

**A5- Area Code**

Locations dispersed in host communities

Kutupalong-Balukhali and expansion

Other collective sites

**A6- Camp/Site Name**

**A7- B2ID**

**Is this a new location, or is this a location where information has to be amended?**

New Location

Information correction needed

This location or block does not exist anymore

**New point CODE**

**A8- Block name (reference or Point ID)**

**A9- Master ID**

**Interview**

**Are there any changes in the information of the Majhee/Key informant?**

Yes

No

**» Main Key Informant**

**B1- Name of Key Informant**

*Only fill this in for new locations, or if the information in the tracking sheet is wrong.*

**B2- Type of Key Informant**

Only fill this in for new locations, or if the information in the tracking sheet is wrong.

- Majhee
- Member or leader of local Rohingya community (no official appointment)
- Member or leader of local Bangladeshi community (no official appointment)
- Humanitarian/Social Organization Representative
- Military representative
- Representative of government office/ local authority
- Representative of education facilities
- Representative of health facilities
- Other

- Prefer not to answer
- Other

**\* G10- Other, please specify****» WASH****\* H1- What proportion of people in your location currently have enough water to meet their needs?**

- Everyone or nearly everyone (81-100%)
- Most people (61- 80%)
- About half of people (41- 60%)
- Some people (21- 40%)
- No-one or almost no-one (0 - 20%)
- Don't know

**\* H2- What problems are people in your location currently facing in accessing water?**

- Some groups do not have access to waterpoints (status problem)
- Lack of sufficient water points
- Water points not functioning
- Waiting time at water points
- Distance to water points
- Lack of water storage containers
- Don't like taste / quality / etc.
- No access problems
- Don't Know
- Other

**\* H2- Other, please specify****\* H3- In what way do community members in your location currently cope with the lack of water?**

- Reduce drinking water consumption
- Reduce water consumption for hygiene practices (bathe less, etc)
- Go fetch water from a further water point than the usual one
- Forces family to take drinking water with less desirable water sources
- Don't know
- Other

\* H3- Other, please specify

---

\* H4- Currently what are the most commonly accessed sources of water in your location?

Select three

- Piped water tap / tap stand
- Storage Tanks tap / tap stand
- Tube wells / handpump
- Protected spring
- Unprotected Well
- Unprotected spring
- Surface water pond, stream, etc.
- Don't Know
- No water accessible
- Other

\* H4- Other, please specify

---

\* H5- What proportion of people in your location currently treat their drinking water?

- Everyone or nearly everyone (81-100%)
- Most people (61- 80%)
- About half of people (41- 60%)
- Some people (21- 40%)
- No-one or almost no-one (0 - 20%)
- Don't know

\* H6- What problems do people in your location currently face in treating their drinking water?

- They lack fuel or means to boil water
- They lack disinfectants (aquatabs / PUR / Tab10s / etc.)
- They lack cloth filters
- They lack family filters
- They lack knowledge on water treatment
- Water treatment is not a normal practice
- Don't Know
- None
- Other

\* H6- Other, please specify

---

\* H7- What problems do people in your location currently face in washing their hands?

- Soap is too expensive
- Soap is not available
- Lack of water for handwashing
- Hand washing is not a normal practice
- Don't Know
- None
- Other

\* H7- Other, please specify

---

**\* H8- What proportion of people in your location currently have access to bathing facilities?**

- Everyone or nearly everyone (81-100%)
- Most people (61- 80%)
- About half of people (41- 60%)
- Some people (21- 40%)
- No-one or almost no-one (0 - 20%)
- Don't know

**\* H9- What are the current problems related to bathing facility access?**

- There are not enough facilities/too crowded
- Facilities are too far away
- There is not enough water
- Bathing facilities are unclean/unhygienic
- No separation between men and women
- It is not safe / private (no door, no lock, etc)
- Bathing facilities are non-functional
- Bathing facilities do not have sufficient lighting
- Don't Know
- None
- Other

**\* H9- Other, please specify****\* H10- Are bathing facilities separated between men and women?**

*Separated means that men's and women's bathing facilities are situated in different locations and NOT side by side.*

- Yes
- No
- Don't know

**\* H11- Do bathing facilities have locks on the inside?**

- Yes
- No
- Don't know

**\* H12- Is there adequate lighting surrounding all bathing facilities?**

- Yes
- No
- Don't know

**\* H13- What proportion of people in your location currently have access to latrines?**

- Everyone or nearly everyone (81-100%)
- Most people (61- 80%)
- About half of people (41- 60%)
- Some people (21- 40%)
- No-one or almost no-one (0 - 20%)
- Don't know

**\* H14- What are the current problems related to latrines access?**

- There are not enough facilities/too crowded
- Facilities are too far away
- There is not enough water
- Latrines are unclean/unhygienic
- No separation between men and women
- It is not safe / private (no door, no lock, etc)
- Toilets are full / non-functional
- People prefer to defecate outdoors
- Toilet areas do not have sufficient lighting
- Don't Know
- None
- Other

**\* H14- Other, please specify****\* H15- Are latrines separated between men and women?**

*Separated means that men's and women's latrines are situated in different locations and NOT side by side.*

- Yes
- No
- Don't know

**\* H16- Do latrines have locks on the inside?**

- Yes
- No
- Don't know

**\* H17- Is there adequate lighting surrounding all latrine facilities?**

- Yes
- No
- Don't know

**\* H18- Which statement best describes current defecation practices in your location?**

- Most people defecate in family latrines
- Most people defecate in communal latrines
- Most people defecate outdoors or in open areas
- Most people defecate in plastic bags
- Most people defecate in buckets
- Other

**\* H18- Other, please specify****\* H19- Which statement best describes your location with regards to open defecation?**

- This is not practiced anywhere in this location (no visible faeces anywhere)
- This is a normal practice in some areas of this location (visible faeces in some areas)
- This is a normal practice in about half of the areas in this location
- This is a normal practice in most areas of this location (visible faeces in most areas)
- Don't know

\* H20- Are there officially designated areas in this location for garbage disposal?

- Yes
- No
- Don't know

\* H21- Which statement would best describe your location with regards to garbage?

- All areas of the community are clean (garbage is in officially designated areas)
- Most of the community is clean (some garbage outside officially designated areas)
- About half the community is clean
- Most of the community is dirty (most garbage outside officially designated areas)
- All of the community is dirty (no officially designated areas for garbage)
- Don't know

» **Food Security and Livelihoods**

\* I1- Currently what are the two main sources of food for people in your location?

- Purchase (cash)
- Purchase (credit)
- Food distribution/assistance
- Support from friends/relatives/host community
- Barter and exchange
- Borrowing
- Begging/scavenging
- Gathering of wild foods, foraging (plants/insects)
- Hunting/fishing
- Own production
- Other

\* I1- Other, please specify

---

\* I2- What proportion of people in your location currently face problems accessing food distributions?

- Everyone or nearly everyone (81-100%)

- About half of people (41- 60%)
- Some people (21- 40%)
- No-one or almost no-one (0 - 20%)
- Don't know

\* I3- What problems do people currently face in accessing distributions?

- Physical obstacles and terrain reduce access
- Safety en route to or at the distribution point
- The distribution point is too far away
- Waiting times at distribution points are too long
- Not aware of distributions (when or where)
- Don't know
- None
- Other

\* I3- Other, please specify:

---

**\* 14- In the past 30 days have there been any changes in regards to accessing food?**

- Yes
- No
- Don't know

**\* 15- If yes, what are the changes?**

- Increase in food prices
- Decrease in food prices
- Improved physical accessed
- Worse physical access
- Improved access to food distribution/assistance
- Reduced access to food distribution/assistance
- Decrease in movement restrictions
- Increase in movement restrictions
- Don't know

**\* 16- Do most families have enough access to stoves, pots, and pans for their cooking needs?**

- Yes
- No
- Don't know

**\* 17- What proportion of families in your location currently eat only one meal a day?**

- Everyone or nearly everyone (81-100%)
- Most people (61- 80%)
- About half of people (41- 60%)
- Some people (21- 40%)
- No-one or almost no-one (0 - 20%)
- Don't know

**\* 18- What proportion of families in your location currently eat two meal a day, but not three?**

- Everyone or nearly everyone (81-100%)
- Most people (61- 80%)
- About half of people (41- 60%)
- Some people (21- 40%)
- No-one or almost no-one (0 - 20%)
- Don't know

**\* 19- In the past 30 days, what were the three main income sources for the majority of families in your location?**

- Basic needs assistance (cash, in-kind, voucher)
- Casual day labour
- Unskilled wage labour
- Skilled wage labour
- Petty trade / street vendor / Small business
- Fishing
- Remittances from abroad
- Agricultural production and sales
- Begging
- Sale of humanitarian assistance
- Gathering and selling of firewood or other natural resources
- Zakat
- No income source
- Other

**\* I9- Other, please specify**

---

**\* I10- Has there been any change in regards to income sources in your location compared to 30 days ago?**

- Yes  
 No  
 Don't know

**\* I11- If yes, what changes have their been?**

- Increase of labour opportunities  
 Decrease of labour opportunities  
 Increase in movement restrictions  
 Decrease in movement restrictions  
 Increase or improvement in food or other basic needs assistance  
 Decrease or worsening of food or other basic needs assistance  
 Increase or improvement of livelihood programmes  
 Decrease of worsening of livelihood programmes

**\* I12- Is there currently a functioning market in this location?**

*A market is any GROUP of shops, stalls, vendors, not one single shop.*

- Yes  
 No  
 Don't know

**\* I13- Which items are regularly available in this market or markets?**

- Rice, lentils, pulses  
 Eggs  
 Meat and fish  
 Fruit and vegetables  
 Spices/condiments  
 Bamboo  
 Tarpaulin sheets  
 CGI  
 Plywood  
 Rope  
 Nails  
 Tools  
 Sandbags  
 Medicine  
 Hygiene items  
 Clothing and family good  
 Fuel/firewood  
 Other

**\* I13- Other, please specify**

---

**\* I14- Do children get High-Energy Biscuits from schools or Temporary Learning Centres?**

- Yes, regularly
- Yes, sometimes
- No biscuits received yet/no school feeding programme
- There is no school or TWS
- No

**» Nutrition****\* J1- In your location which people are currently targeted by nutritional supplement programs?**

*Pills or powder solutions that are not food, but contain a number of vitamins and amino acids in order to supplement one's diet.*

- Pregnant and lactating women
- Children under 5
- Girls between 12-17
- None
- Don't know

**\* J2- Do families in your location know where to go if they are concerned that their child is malnourished?**

- Yes
- No
- Don't know
