

Philippines gazetteer

This gazetteer provides the standard P-codes (place codes) that uniquely identify features that can be known by multiple names or formulations, thus enabling data linkages.

For example, "Region XIII" and "Caraga" are alternate names for the same feature, unambiguously identified by the P-code PH160000000. Similarly "City of Isabela" and "Isabela" are the same feature, P-coded PH099700000. Finally, features with common names are distinguished by P-codes. For example, the three features called "Alicia" are distinguished by the codes PH023101000, PH071202000, and PH098301000.

Contents

Administrative level 1: Region

Administrative level 2: Province, independent city, or independent municipality

Administrative level 3: Component city or municipality

Regional designation	Region	P-code
