COMPANY BOILERPLATE

Hines is a privately owned global real estate investment firm founded in 1957 with a presence in 225 cities in 25 countries. Hines has approximately \$144.1 billion of assets under management, including \$75.5 billion for which Hines serves as investment manager, including non-real estate assets, and \$68.6 billion for which Hines provides third-party property-level services. The firm has 165 developments currently underway around the world. Historically, Hines has developed, redeveloped or acquired 1,426 properties, totaling over 472 million square feet. The firm's current property and asset management portfolio includes 576 properties, representing over 246 million square feet. With extensive experience in investments across the risk spectrum and all property types, and a pioneering commitment to sustainability, Hines is one of the largest and most-respected real estate organizations in the world. Visit www.hines.com for more information.
