- The date by which a conclusion to the internal investigation into the complaint is expected.

Response with findings

All complaints will be thoroughly investigated and a written response will be provided as soon as possible and in any case within one month. Where an answer cannot be provided in this time frame, the reason for the delay and an indication of when the investigation is likely to be achieved will be communicated to you within this one month time frame.

Our response will advise either that:

- a) The complaint has been upheld and advise the redress or remedial action that Hines Luxembourg has or will take.

or

- b) The complaint has been rejected along with a detailed explanation as to why it has been rejected.

If you are dissatisfied with Hines Luxembourg's response you may in the first instance request a reconsideration by the Hines Conducting Officer with responsibility for complaint management. Should a satisfactory resolution still not be found you may, should you wish, file a request with the CSSF for out of court complaint resolution, details of which may be found at. <https://www.cssf.lu/en/consumer/complaints/>

Any such request must be filed within one year of filing your complaint with Hines Luxembourg
