FOREWORD

It is with the hope of leaving

one lasting achievement after

four enjoyable years in high

school that we, the Senior Class

of 1941, publish this Aerie.

DEDICATION

This annual is dedicated to one of the finest and sincerest of men, Mr. Gerald Chapman. He is truly "a leader of boys and girls" because he lives a life devoted not to scolding and threatening, but turning out the true Americans.

MEG.

GRETTINGS TO THE SENIOR CLASS OF 1941

STUDENTS AND FUTURE LEADERS:

In the name of the Rusk High School I extend congratulations to you upon your approach to the finish of your high school career.

As you live your lives you will find that some things are of more importance than others. Many times the things that seem so big and important finally fade into insignificance. But there is one big thing that stands out as important in the lives of all individuals--HELPING MANKIND.

Men toil in the depth of the earth to bring forth that which is useful to mankind. Men sail the high seas in search for cargo that may benefit mankind. Men sweat in factories to bring forth the fruits of commerce that mankind may be benefitted. The inventor at work in the laboratory spends weary hours in the hope that he may bring something of benefit for the common good. Our legislators wrestle with the problems of government in order that our people may be given a type of government which will bring peace, happiness, liberty, and prosperity.

If you hope to give the true measure of the importance of things in your lives, at the head of the list you will place the most important---HELPING MANKIND. If you will always keep this thought in mind you may be quite sure that you will find happiness and satisfaction in your work wherever and whatever it may be.

Seek, then, to let service to others be the big guiding principle of your life.

Again may I extend congratulation to you and wish for you all the good things of life.

A. S. Moore, Superintendent,

Rusk City Schools.

SENIOR CLASS HISTORY

In the fall of 1937 the Senior Class now entered High School in high spirits. Fresh from Junior High each member was eager to get a taste of High School life. We had the keen desires to explore the world of a High School career.

At first, it seemed as if most of this enthusiasm and eagerness would be lost, for High School work was unusually difficult we thought. But soon there was a gradual rise and upbuilding of the old class spirit as we became acquainted with High School customs and ideas. We found that the art of coming from Junior High School was not such a break or jump, after all. It was a gradual pull upward that required no little effort and work.

Now came the fall of 1938, most of these same boys and girls assembled in a quiet and dignified way. Each member was proud of his position of superiority. Class officers were elected, and other minor business was attended to.

Now these members are the Senior Class and they have taken to the lead and have tried to set a worthy example to all of the lower classmen. We have realized that the success of those who follow depends largely upon the impression that we make upon them. This Senior Class has never been dead or inactive. There has always been plenty of work and this Senior Class has been uppermost in the mind of each member;nothing has been allowed to interfere with it.

As we leave this beloved campus, some, perhaps forever, let us hope that we have accomplished something good for others as well as for ourselves and we hope that those who take our places will have profited by our example and our experience.

JUNIOR CLASS OF 1941

Although the Junior Class had a rather slow beginning with only a few activities in the earlier part of the year they have planned a full and interesting calendar of events to climax the school year; the more important of which will be the Junior-Senior reception. This event is set for May 10, 1941 in the Rusk High School gymnasium. Although dancing will be the main feature, there will be a number of games for those who do not wish to dance. Some of the games will include dominoes, chinese checkers, forty-two, pick-up sticks. Committees appointed to carry out this function were: Decorating committee, Louise Headrick, Dorothy Lanier, Lucille Smith, Voncille McVicker, Winslow Norman, Alton Hubbard, and Robert Long: Refreshment committee, Virginia Banks, Doris Boozer, Frances Laney, Emoline Langston, John H. Stevens, Roy Bagley, and Robert Wells.

A play, "Little Women," which is a dramatization of Louisa M. Alcott's book of the same name will be presented by the Junior Class on the night of May 2, 1941 in the High School Auditorium. The cast is as follows:

Hanna: Negro maid--Emoline Langston

Meg: 16 and very pretty--Dorothy Lanier

Jr. 15, awkward, Tom boyish--Lucille Smith

Beth: 14, rose cheeked, plump, sweet--Doris Boozer

Amy: 13, blond, blue eyes, snub nose--Joe E. Miller

Mrs. March: Tall, noble, kindly.--Voncille McVicker

Laurie Lawerence: 16, somewhat bashful--Roy Bagley

Aunt March: 80, dictatorial, crabby--Frances Laney

John Brooke:Young professor--Robert Long

Rev. Mrs. March: dignified, studious-Alton Hubbard

Prof. Bhaer: staut, ruddy faced German--Wilson Hanna

Some other events included in the Junior Class plans are an old fashioned box supper and cake walk and a Junior Class party.

ATTENTION! FORWARD! MARCH!

A great deal of progress has taken place in the Rusk High School Band since it was first organized in September, 1934. Fred W. Martin was the first band director and he was proud to have twenty-four pupils in his instrumental class. Soon after this, the population of Rusk was indeed glad to see the Rusk High School Band parade down the street in home-made red and black uniforms. The band attended the Thanksgiving game, which was it's first football game, in 1934 at Alto. Then in April, 1935, the band was entered in Class D Division of the State Band Contest and the rating was "Fair." The next advance was made, when in March, 1937, red trousers with black stripes were purchased for winter wear. And, later, in October we were fortunate in securing H. H. Carsey, better known as "Pop" as our band director, who has made our band a great success.

Now in 1941 there is an enrollment of forty-five. At the beginning of the school year the students selected by vote the present band sweetheart and flag bearers and later on, a new banner carrier was selected. The band has attended all of the football games this year and has had the honor of being invited to Nacogdoches, Gilmer and Dallas, but was unable to attend. The following places, however were attended: the Tomato Festival in Jacksonville, the Forrest Festival in Lufkin, the dedication of the gym in Maydell and the Fat Stock Show in Houston. It would have been impossible for the band to attend any of these special occasions without the complete cooperation of the Band Mother's Club, the School Board, and the businessmen of the town.

THE FUTURE HOMEMAKERS

We, the Future Homemakers of Rusk,
Learn to do well the things we must,
We learn to be a good hostell or guest,
And learn to cook the things that are best,
We learn to groom ourselves and sew,
The best clothes for us wherever we go,
We want our homes to be of the best found
In our community and miles around,
For we girls of today will be the women of the nation,
Whose dreams will soon be realizations.

F. F. A. Objectives and Accomplishments

The Rusk F. F. A. strives each year in making out its annual program of work to set up some worthy objectives for accomplishment during the year. This year the following objectives were decided upon and are included in the annual program of work for the Rusk F. F. A. Chapter: 1. That 100% of members plan long-time projects and carry at least two projects to completion with accurate records kept on them. 2. 75% of projects to be with pure bred animals and crops. 3. 50% of members to show their project products in the annual county F. F. A. project show held at Rusk. 4. Cooperate in purchasing state registered planting seed and pure bred hogs, cattle and poultry for projects. 5. Render community service through controlling insect pest and diseases on 5000 fruit trees,and 1000 animals, pruning 5000 fruit trees, terracing 600 acres of land and culling 1000 hens. 6. Develop leadership among the members by holding regular weekly meetings of the F. F. A. Chapter which are conducted according to recognized parliamentary procedure by the F. F. A. officers and members, and by participating in judging contest and leadership contest for Future Farmers. 7. Learn thrift by earning and depositing in a bank $100.00 in an F. F. A. savings account. 8. Encourage scholarship by inducing members to make sufficiently high grades in all subjects to meet requirements for advancement in the F. F. A. 9. Provide proper and useful recreation through sponsoring a Father and Son Banquet, a summer encampment, and joint socials with the Homemaking department and the other chapters in the county. 10. Develop skill in showmanship by preparing exhibits for local, county, and state fairs and by fitting and showing livestock, poultry and crop projects.

To date most of these objectives are being accomplished with excellent results. The members have sprayed and pruned some 3400 fruit trees, terraced over 300 acres of land, vaccinated several hundred head of livestock, purchased registered hogs, beef calves dairy calves, chickens and sheep. The Father-Son Banquet was held on the night of February 21st, with 76 in attendance and an excellent program. In the county F. F. A. judging contest March 14 the Rusk Chapter won first in Horticulture, Soil Conservation and Plant Production, second in Dairy cattle judging, third in judging livestock and fourth in the poultry contest, winning the sweepstakes trophy. Another highlight of the year's accomplishments was the trip to the Fort Worth livestock show. Here some of the finest livestock in the nation was seen and the Future Farmers were also interested in the sight seeing tour through the Armour Packing Plant, where they saw the finished animals processed to retail cuts and the many by-products of the packing industry.

Slogan: Texarkana or Bust.
Motto: Hadie sequemier-Cras ducemus.

The Latin Club is very proud of its scholastic rating. In the second year class Diamond Perkins, Dorothy Lanier, Doris Boozer and Pat Ward have made the honor roll every time. Virginia Banks has made the honor roll seven times. Doris Boozer, Dorothy Lanier, and Diamond Perkins have maintained an A+ average in Latin.

In the first year Latin class Frances Hassell and Mary Reynolds have made the honor roll every time.

Last year the first year class entered the tournament at Longview with Diamond Perkins winning third place in Class B division. This year we hope to bring some first places from Texarkana.

The Club is one of the most wide awake organizations in school. It can be justly said that its members are certainly not lazy.

SOCIAL SCIENCE CLUBS

One-fifth of the time students spend in Social Studies is devoted to activities in club organized by students. At the club meetings a social attitude prevails, events of the day are discussed, elections are held, opinion is given and respected, all in parliamentary order. The program committee provides a varied program and perhaps will serve drinks,cookies, sandwiches, hot-dogs, etc.

Much interest was aroused throughout the entire school by a panel discussion on "School Spirit" given at assembly in which members of the Clubs took part. As a manifestation of true "School Spirit" and sensing the need, a drive was made for the securing and erection of a flag pole which now flies the American flag.

The project had its origin in one of the Club meetings when a report was given concerning the use of the flag. Committees were immediately appointed to investigate the different phases of the project and to determine the magnitude of such a task. These committees appeared before various business and professional men of the town and school and before the Commissioners Court of the County, each of whom made possible the completion of the project. Every member of the four Social Science Clubs made a personal contribution of money, labor, and time. The Clubs share the satisfaction of the completed project with the entire school system and citizens of Rusk.

This club was organized on January 30, 1941, for entertainment and to increase more interest in Spanish.

The students hold contests in the asking of questions each Friday of the school year. In doing this they learn new words and how to think in Spanish. When a group is defeated in a contest they must furnish a picnic for the winning side. The students have gone on several picnics and have had a very enjoyable time. They intend to go on many more.

On club days the students are entertained with songs, duets, solos, and trios on various musical instruments. They also play many games using Spanish words. The members are enjoying this club. They are very interested in their work and in learning better Spanish.

Motto

"The best service to the greatest number with a joyous heart"

The Speech Club of 1940-41 received a rich heritage. The debaters, declaimers, and extempore speakers of 1939-1940 set a standard for us which we are trying to maintain.

For the second consecutive year, Rusk High School debaters won first place in both boys and girls division at the District 16 literary meet at Nacogdoches April 1940.

Carroll Sparkman and Philip Mehner won first place over Nacogdoches, and Gaston. Joyce Ginn and Barbara Jean Roach won over Carthage and New London. Both teams lost at Regional Meet in Longview by a two to one decision to Kilgore and Athens. In Declamation, James Clark and Peggy Ann Jones won County Meet honors, and in Extempore Speech, Benford Hill and Margaret York carried away the honors.

Our Speech Club is devoted to correction of speech faults and errors in pronunciation, enunciation, diction, grammar, vocabulary building, and to the task of raising the standard of conversational English as well as to debate, declamation, extempore speech and dramatics.

Our club is self-governing, electing its own officers,who preside at the meetings. The topics discussed are those of current interest, particular attention being paid to major State, National, and International questions. In addition we have open forums, declamation, extempore speaking and interscholastic debate subject: Resolved: "That Texas should increase her tax on natural resources."

INTERSCHOLASTIC LEAGUE WINNERS 1941

Declamation--Colliton Brazier

Extemporaneous Speech--Diamond Perkins

THE AIM OF ATHLETICS

The essential problem of high school athletics is to make it contribute its share to the education of youth. The measure of success is the effect upon the individual boy or girl. High school athletics ought to be regarded primarily not as amusement for the many or as a means of "boosting" a community, but as a part of the process of education.

No socializing factor has ever approached that of competitive athletics as a far-reaching influence on the high school student. This factor is ours not to tear down but to direct in such a way that abundant dividends will be paid in better citizenship.

Under the stress of modern life, the pupil comes all to readily to think that anything can be bought for money. But we know that there are things that money will not buy--the acquisition of habits of straight thinking and of those other skills that make up the best of modern education; true success in sports and games, and the ability to use leisure time wisely.

When one of our boys goes into active life he should have had a training in devotion to community enterprise, community purpose, with such an appreciation of welding of lives into the lives of others, and such indignation over things that eat into our political structure, that men will say: "There is a man who got something from his school training that has made his whole life worth while!

It is a part of the aim and function of the athletic department in Rusk High School to protect and contend for these ideals.

Coach Bill McCluney

FOOTBALL

COACH BILL McCLUNEY
If a will to work and never lose courage in "his boys"would win the game, Coach would never loose.He has been coach here for 7 years.

T. H. BURKE
Post Graduate manager. Burke was always ready with the tape and bandages.

NORRIS(SANDY)SMITH
Senior-one year letterman-tackle. Sandy stared on defense in the Troup game.

FINIS MANESS
Senior-first year man. Reserve end. Maness never missed a practice session. He was always ready when called on and gave a good account of himself when he got in a game.

JOHN HARPER(GO-DUCK) STEVENS
Junior-two year letterback. Co-Captain elect-'41, Stevens was a vicious tackler. In stopping the big defensive back, in the Salem game he broke a collar bone and was out for the rest of the season. He will be going strong again next fall.

DAVID LITTLEJOHN
Junior-one year letterman-tackle. We are expecting him to be a real power in that line.

OSCAR LINDSTROM
Senior-three year letter man, Back. Oscar was elected the most valuable player on the team by his team mates. His speed was a constant threat to the opponent.

ROY(PETE)BAGLEY
Junior-one year letter man-end. Pete brought the fans to their feet several times by his magnificent pass securing. He is expected to be even better next season.

Copied from an original at The History Center, Diboll, Texas. www.TheHistoryCenterOnline.com 2014:021

WEBB BURCHFIELD
Senior-one year letterman-utility. Webb always played a good game in any position he was sent in to fill.

LEWIS(JERSEY)JORDAN
Junior-first year-back, and little Jordan played a good game every time he was sent in and especially in the Gaston Game.

DIXON SPIVEY
Senior-first year,Guard Dixon never "found himself" until late in the season but recovered in time to play a great game against the Gaston undefeated district--champs.

BILLY POST
Sophomore-first year - center. Post did not play so much this year but we are expecting him to do great things next season.

CHESTER(AGNES)SHAW
Senior-three year letterman-quarterback-captain '40. Although Shaw was a marked man in every game he managed to chalk up as many yards as any one else on the field.

WINSLOW(SPOOKS)NORMAN
Junior-two year letterman-Co-Captain elect 41 Full back. Spooks did a fine job of line backing and line plunging in every game in which he played. He was out of one or two games on account of injuries. Better watch his smoke next season.

ELMER(HOTDOG)THOMPSON
Senior-two year letterman-Center. Hotdog played every minute of every game. He was a fighter from the start to the finish in every game.

ROBERT WELLS
Junior-one year letterman-back. Robert was a splendid pass catcher as well as a good passer. You may expect to see much of his passing next season.

J.L.(HUNK BUNK)BEALL
Senior-one year letterman-end. Although this was Beall's first year to play football he stepped right in to the end position as a regular and did a fine job of it.

JANE WALLACE(SPONSOR)
Senior-was elected football sweetheart. Jane's smile and her words of encouragement were always an inspiration:to the boys she will always be remembered as "Football Sweetheart" of 1940.

Copied from an original at The History Center, Diboll, Texas. www.TheHistoryCenterOnline.com 2014:021

BYRON(BUD)BOBBITT
Soph.-Right Guard-one year-Byron was a consistent fighter and broke up many plans before they reached line of scrimmage.

MYRON(BUD)BOBBITT
Soph.-Left Guard-one year-In the London game, Myron tried to letter in London's back field.

Rusk High football squad of 1940 had the fewest number of experienced men on it of any squad in the past several years. There were only five men back from the year before. Only two of them had been regulars the previous season. Those five men were: Captain Shaw at quarterback, Oscar Lindstrom at right half, Spooks Norman at full, John Harper Stevens at half and "Hot Dog" Thompson, center.

The first game came just five days after school opened. Some of the boys had scarcely learned the correct way to get into a uniform let alone how to tackle and block. After the first game the boys always gave a good account of themselves. In some of the games, the score of which indicated a one sided affair were not at all that way. For instance in the Arp game Rusk was in possession of the ball most of the time during the last half and gained as much ground during the game, as did Arp, still that was the highest score made against them. In four of the games lost Rusk was leading at the half. This was true when they played the Dist. Champs Gaston, Rusk was leading 7 to 6 at the half.

With the same ten or eleven men from the 1940 squad we are expecting the boys to come out on the long end of the score more times next season. Although the score was against them more times than otherwise this year, this one thing they have learned:

Sport is winning, if you can
and keeping to the sportsman code.
Sport is beating the other man,
But giving him half the road;
Being content with an even break;
Scorning the trickster's art.
Sport is the game for the game's own sake,
And the love of a fighting heart.

SUMMARY OF 1940-41 SEASON

Graduation together with the new age rule left the Rusk Eagles without a single letter man back from the squad of '39-40.

Some sixteen or eighteen recruits reported for practice the last week in November. It was a difficult task for a coach to pick a first string starting line-up. There were ten or twelve men on the squad that were just about on a par when it came to playing ability.

In the first two or three games, which were practice games, the Eagles looked good enough on defense but were unable to find the goal in paying quantities.

Rusk played in the Oil Belt League again this year. The first league game was with Troup on December 19. This was a hard fought game but again the Rusk boys missed many good shots. The score ended 14 to 20 in favor of Troup. After that first league game the Eagles began hitting the goal at times and in the second game, which was with Salem, they came out on the long end of a 58 to 21 score.

The Eagles finished this league schedule with a 500% average. They reached their peak when they defeated the then undefeated Arp team which went on and won the Conference and the Smith county championship.

The Cherokee County championship for Class A was played off in abouble round robin. In the play-off Alto defeated Jacksonville in two games, Rusk defeated Alto in two and Jacksonville in turn defeated Rusk twice. Then in a tournament play-off Jacksonville defeated Rusk in an extra-period for the first game of the tournament. That afternoon Jacksonville defeated Alto for the championship.

Returning from this year's squad for next year will be six regular and three or four subs. The Eagles should make it tough for somebody next year.

TRACK

TRACK AND FIELD EVENTS OF 1941

There was only one man returning from the 1940 team, which walked off with honors last year, for this year's team, this was Alton Hubbard. Other men reporting for the senior track team were: Howard Gibson, Lewis Jordan, James E. Turney, Spooks Norman, John Harper Stevens, Chester Shaw, Myron Bobbitt, Byron Bobbitt, Pete Bagley, Edward Trevathan, J. L. Beall, Buster Sheffield, Dixon Spivey, James Whitaker, Finis Maness, David Littlejohn, Norris Smith, Robert Wells, Eugene Sanders, Billy Post, Floyd Goleman, and Edwin Jones. Junior-trackmen out were T. A. Hassell, Colon Todd, Eugene Ralson, Cecil Chester, Lloyd Dover, and Elbert Banks.

When track season started it was only a few days till the county meet and bad weather halted work-outs several of these days. The track team was scheduled to attend a track meet at Gaston on March 8, but did not go due to bad weather. The first competition the team had was in the county meet here, on March 14, in which Jacksonville and Rusk were the only entries in this class. Jacksonville won the meet by a small margin of points.

Records established in the meet were: Chester Shaw of Rusk, running the two-hundred and twenty yard dash in 22.8 seconds; Crawford of Jacksonville, heaving the discus 108 feet and 6 inches; Walker of Jacksonville, high jumping 5 feet 3 inches; Bobbitt Twins of Rusk, vaulting 9 feet 6 inches; Walker of Jacksonville, running the low hurdles in 27.6 seconds; Myron Bobbitt of Rusk, running the high hurdles in 18.9 seconds. The records established this year in the discus, high hurdles, and low hurdles were due to the Changing of the weight of the discuss, to lowering the high hurdles, and making the low hurdle were due to the changing of the weight of the discus, to lowering the high hurdles, and making the low hurdle race twenty yards shorter.

The junior trackmen made a fine showing in the county meet with Colon Todd, Cecil Chester and T. A. Hassell taking several places.

Trackmen who will be back for 1942 include Pete Bagley, Spooks Norman, Robert Wells, John Harper Stevens, Buster Sheffield, Myron Bobbitt, Byron Bobbitt, Colon Todd, Floyd Goleman, T. A. Hassell, Cecil Chester, Eugene Ralson, Lewis Jordan, Alton Hubbard, Billy Post, David Littlejohn, James Turney, Elbert, Banks, and Lloyd Dover. We should have a good tract team next year because nearly all the members of this year's team are returning with experience.

TENNIS

WELL, THEY DID IT AGAIN!

GIRLS

The girls tennis teams of Rusk High are undoubtedly creatures of habit, and winning the County Meet in tennis seems to be their main one.

Jane Wallace and Otha Schochler have won this honor for four consecutive years. In 1939 they also won the district meet in Nacogdoches and were finalist in 1940. We expect as much from them this year.

Roselyn Bolton, the tennis singles representative, winner of the county last year, was unfortunately ill when the County Meet was held this year. However, the alternate, Patricia Ward, came through nobly and won the county championship.

BOYS

The boys double team composed of Pete Bagley and Robert Wells lost to Jacksonville in the County Meet.

Chester Shaw, the tennis singles representative won the county meet by winning over Jacksonville.

J. L. Beall was unable to play due to illness. This would have been his third consecutive year.

1940 SENIORS GO PLACES

Twenty-nine Rusk High School seniors accompanied by five members of the high school faculty, Mr. Moore, Mr. Chapman, Mr. McCluney, Mr. Thomas and Miss Leake, left early Monday morning, May 27, on their annual trip. They went through Alto, Crockett, Trinity, Huntsville, and Houston, where they ate lunch. Out of Houston at one o'clock, following the "hug the coast" route to Corpus by eight o'clock. Two nights and one day they spent in Corpus enjoying swimming, fishing, boating, skating and carnival mid-way attractions. Tuesday night a thirty-five mile moonlight boat ride was enjoyed by the group.

Leaving Corpus Wednesday morning the party reached Laredo at one o'clock in the afternoon. After reservations had been made they crossed the Rio Grande and enjoyed an interesting time in Nuevo Laredo, Mexico. Curio shops were visited, gardenia venders were continually with each member of the party, and various and sundry novelties were displayed to the party. About eleven o'clock the group returned to Texas.

Thursday morning the party had breakfast in Laredo and at 7:45 they set out for San Antonio, arriving about twelve o'clock, and spending the afternoon and night. The interesting placed in San Antonio were visited, alamo, other old missions, business section, and Breckenridge Park where camp was pitched. Rain awakened the group about five o'clock Friday morning. Cots, beds and clothing were quickly assembled and a group of happy people set out,after eating breakfast in San Antonio, for home by the way of Austin. The Capitol in Austin was visited; most of the group climbed the winding Capitol stairway to the top most point. At 2:30 in the afternoon of Friday, May 31, the group left Austin and continued the "Home-stretch".

The seniors declared that this was the happiest week of their lives, and they wish to express their deepest appreciation to all who in any way made their trip possible.
