Central Consolidated High School

School Song

Our dear ole' Central High
Honored be her name
She'll live forever
With our hearts,
Her halls of fame;
As years go swiftly by
Sight fail and dim
Memories of our happy days
Will always be a bright and
Shining gem.

FOREWORD

We have endeavored to publish a yearbook, in pictures and words to portray life at Central High. As you turn through the pages of this book, may you relive the memories of this year, recall the happiest hours, the best-loved scenes, and treasured friends. If, in reading this book, you recall some of the happy times you have had at C.H.S., then our purpose in publishing this annual has been fulfilled.

Dedication

We, the Senior Class of 1954, wish to dedicate our yearbook to the three boys who were called into service. They were unable to finish their last and happiest year with us. They are now serving in their places trying to make a better country for us to live in.

To you, Charles, J.C., and Paul, we want to take this means of wishing you the very best life has to offer. We want you to know by this dedication that we love and miss you in the many activities of our class.

In our last words we will say, may God always care and watch over you and keep you in the hollow of His hand.

FACULTY

Superintendent

It is a great pleasure to have the opportunity to write a few words in our 1954 annual. It is a job well done, and may much credit go to the annual staff, to all the students and teachers who have cooperated so well, and to our most capable annual sponsors, Mrs. Kennedy and Mrs. Shaddock.

We are proud of the good sportsmanship and other good qualities which our senior students possess. As you come to the end of this school year, which for you marks the change from boys to men and girls to women, you will find that the business world is looking for good qualities in you. I hope for each of you much success in the career which you choose.

High School Principal

May this 1953-54 annual be an inspiration to us through the years to come. It represents an annual that can be achieved only when there is determination, work, and cooperation.

We are deeply indebted to the annual staff and its sponsors, Mrs. Kennedy and Mrs. Shaddock, for bringing our school this fine annual.

To the seniors-I wish for you in the future one of the greatest wealths attainable on earth, which is "happiness." In securing this fortune, you will find that a faith in God, friends, and an education are important assets.

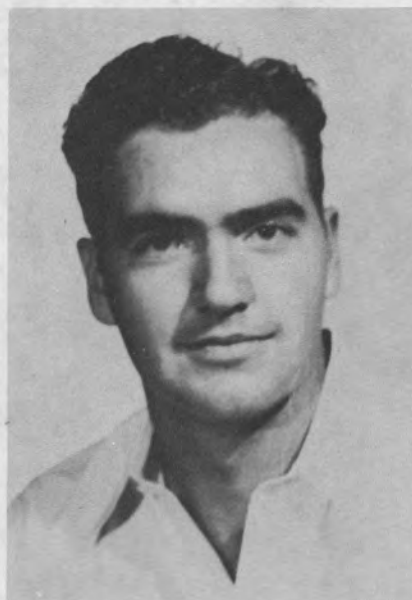

My association with you students and teachers of Central Consolidated has been a happy experience.
