We are proud to present to you our 1957 Bulldog. This book has caught glimpses here and there so that in years to come the activities of this school year at Central will not be dimmed and will not fade from memory.

In later years, while turning these pages, if you should recall the many smiles, sorrows, and dreams of 1957, we shall be content, knowing that we have done the things we were called upon to do.

The Central Independent P. T. A. was organized in 1951-1952. It has shown its worth in many ways during the years. The main purpose of the P. T. A. is to help to tie the home and the school together.

The monthly meetings are held in the high school library the second Tuesday of each month at 2:30 p. m..

They have worked hard upon improving the school. Each year the P. T. A. sponsors the Halloween Carnival with the proceeds goinig toward buildng a better school. This organization has placed venetian blinds in all rooms, hot water heaters in the gym, improved the playground equipment, provided the lunch room and homemaking cottage with many helpful items, donated $100.00 to the agriculture department, $300.00 to the library, along with many other things which we are unable to mention.

Congratulatons to an organization that has done so much to help better our education.

COOPERATION

Pays On The Party Line, Too,

Teamwork makes a game winning place possible. And on the partyline, too, cooperation pays off. Try it and see. Hang up the receiver carefully, keep calls reasonably brief, and give up the line immediately in an emergency. Everyone's service will improve, including your own.
